Backache? Rheumatism?

Those of us who are past middle age are prone to eat too much meat and in consequence deposit lime-salts in the arteries, veins and joints. We often suffer from twinges of rheumatism or lumbago, sometimes from joint, swollen hands or feet. There is no longer the slightest need of this, however, as the new prescription, "Antrite," is found to give immediate results as it is many times more potent than lithia, in ridding the impoverished blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for "Antrite" for kidneys or backache. It will overcome such conditions as rheumatism, dropsical swellings, cold extremities, swelling and burning urine and sleeplessness due to constant arising from bed at night.

Sold to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for a 10c trial package.

MAHER, CAL.—I recommend Doctor Pierce's Antrite very highly. I have suffered for the last three years with catarrh of the bladder, having tried every remedy I heard of but without relief. I saw Antrite advertised in the paper, and I had a doctoring man grabbing at a straw I thought I would try it also, which I did with great success, as it relieved me almost immediately. Before I had taken all of the trial package and having great confidence in the remedy I immediately sent to the drug store and bought a full-size package. I can say to all suffering from any disease of the kidneys or uric acid troubles, try this remedy and offer no longer. I have great faith in Dr. Pierce's Antrite. —S. P. HANSEN.
