**TONIGHT'S CARU IS HIGH CLASS**

First Preliminary—Ainsworth vs. Smith.  
Special—Pat Foley vs. McCarroll.  
Main Event—O'Connell vs. Gustavo.  
Two out of three falls, Police Gazette rules to govern.  
Time—8 o'clock.  
Place—Star Theatre.  
Timekeeper—J. H. Pearce.  
Referee—D. Zimmerman (probably).  
The above arrangements have been completed by Promoter Anderson, and give promise of providing one of the best evening's entertainments for the sporting fraternity of this community that has yet been offered. All the participants are ready and waiting for the time, and a big crowd is expected. Many reservations have been made by out-of-town parties and from the interest manifested by local enthusiasts tonight a card will again re-establish athletic events in La Grande.

Eddie O'Connell, physical director at the Multnomah Athletic Club, Portland, is in town, shaking hands with old friends and making new ones, and as is always the case with Eddie, looks and acts the part of the high class athlete. O'Connell is a man who

takes proper care of himself at all times and can be relied upon to give a beautiful exhibition of wrestling. On the other hand, Gustavo is not saying much, but he has made it known that he has no intention of being returned loser in tonight's bout. He is full of confidence, and although willing to admit that O'Connell is one of the best men of his weight in the entire country, he simply says, "I expect to win; in any event Mr. O'Connell will have the time of his life when we meet tonight. I consider myself stronger than my opponent, and am sure that my knowledge of the game is equal to that of O'Connell."

Ted Thye, a great local favorite, has challenged the winner of the event. The special match between Pat Foley, of this city, and Ray McCarroll of Pendleton, is attracting considerable attention and should be a good go. Pat has developed into quite a wrestler and fully expects to pin the shoulders of McCarroll to the mat before the bout has gone very far. The preliminary between Vern Ainsworth, a pupil of Ted Thye, and Young Smith is going to be a high class affair in itself, for both of these youngsters are by no means novices at the game.

Mr. Anderson has all details perfected, and takes all in all, this St. Patrick's card is one of unusual merit. Ladies are assured that nothing will take place that would be objectionable. In fact, high class wrestling contests are as interesting and entertaining for women as they are for the men.

J. H. Pearce will act as the club's timekeeper, and Dr. Zimmerman has promised that if business will permit he will act as referee. The first preliminary will be called promptly at 8 o'clock.

**CLUB PRESENTED WITH OLEOGRAPH**

The O-W. Club in this city was presented yesterday with a beautiful oleograph, representing the origin of the flag of the United States of America, the donors being the Oliver P. Morton branch of the Women's Relief Corps. Members of the Club and of the W. R. C. gathered in the Club building at the corner of Fir and Jefferson yesterday afternoon at 3 o'clock and after a short address by Geo. T. Cochran, Mrs. Grace McAllister made the presentation on behalf of the W. R. C.

The oleograph bears illustrations in colors of the first flag of the thirteen colonies and of the flag of today, as well as of the coat of arms of George Washington's family, from the red and white bars and the five-pointed star of which the idea of the flag is thought to have been originated. This is fully explained in the text below the illustrations.

The oleograph was primarily prepared for presentation to schools, for the purpose of teaching the children the history of their country's flag, but the W. R. C. has found that older people find it a valuable possession. The ladies of the corps have presented similar oleographs to the local schools, recently and to the Island City school, and they intend going to Perry in the near future to make the presentation one to the school there.

**SMITH-WILSON WEDDING**

The marriage of Frances McCall Wilson and Kan Smith was quietly solemnized Saturday evening at 8 o'clock at the home of the bride's sister, Mrs. U. G. Couch, Island City. Rev. James Leitch, pastor of the Island City church, was the officiating minister. Only the immediate relatives of the bride and groom were present, with the exception of two out-of-town guests, Mrs. Marion Allen of Enterprise and Miss Youngerans of Portland. Light refreshments were partaken of by the bridal party after the ceremony.

Mr. and Mrs. Smith left last night for Portland, where they will spend a couple of weeks, and they will then go to Ketchikan, Alaska, where Mr. Smith, as government forest inspector, has his headquarters.

Mrs. McCall, mother of the bride, was unable to be present at the wedding. She has been pending the winter in Illinois, with another daughter, whose illness prevented her returning to La Grande for the event.

**CAREER OF HAMILTON FILLED WITH SUCCESSES**

New Metro Star Comes to Sherry Theatre in "8500 An Hour," for Its Last Showing Today.

Hale Hamilton, Metro's newest star, who appears in "85,000 An Hour," at the Sherry theatre was born in Chicago and educated at the Shattuck Military Academy and the University of Michigan. His first appearances were with Louis James and Kathryn Kidder, Wilton Lackaye and Nat Goodwin.

It was as Wallingford in George Randolph Chester's famous story dramatized for stage purposes which first brought Mr. Hamilton into the limelight. In fact there were a trio of hits for him, the other two being "The Fortune Hunter" and "The No-Do Well."

Mr. Hamilton's popularity does not lie alone in America. He is a tremendous favorite in England and Australia as well. He made his London debut at the Drury Lane Theatre with Fanny Brunch in "Scalped Orders." He played an extensive engagement there in "Get Rich Quick Wallingford" and it was during the run of this production that he received the unusual distinction of being requested to give a royal command performance of that farce at Windsor Castle. After a tour of the world in "Get Rich Quick Wallingford" Mr. Hamilton returned to America and appeared in that exciting funny farce by Edward Peple's, "A Pair of Sixes."

Mr. Hamilton's fair to be the man of the hour in film circles. He is of medium complexion, is six feet tall and weighs one hundred and seventy-five pounds.

"Smiling" Bill Carson adds to an enjoyable program.

**DOROTHY DALTON IS BEAUTIFUL IN "GREEN EYES"**

Beautiful is one of the most abused adjectives in the language but it can never be better employed than when describing Dorothy Dalton, the lovely face star whose Paramount picture, "Green Eyes," will be the attraction at the Arcade today and tomorrow.

The South is used as a frame for the delectable star on this occasion and advance reports say that it is one of her best pictures. It was directed by R. William Neill and written by Etta Stewart Carson.

Miss Dalton has a myriad of followers who declare is not only the loveliest thing on the screen but that she can out-act more stars as well. And withal, she is the most delightfully naive of young persons, refusing to permit herself to be flattered into egotism.

Dorothy Dalton made her biggest hit, perhaps, up to the time of her entrance into Paramount pictures, with "The Flame of the Yukon." But since then she has advanced steadily with such splendid pictures as "The Matrimony of Marcelle," "The Kaiser's Shadow," "Love Me," "Tyran Power," etc.

Thomas H. Ince personally supervises her productions which is an earnest of their quality.

**SCIENCE ADDS PROFITS TO DAIRYMAN'S EFFORTS**

Linn County Operator Reports Gain of \$45 on Monthly Check From Same Number Cows

OREGON AGRICULTURAL COLLEGE, Corvallis, March 7.—Dairy men are entitled to a fair profit on their investment and labor, but it is not fair to consumers of dairy products to be taxed for wasteful production, comments the Oregonian. Dairy men are today testifying to the value of scientific methods of production in cheapening the cost. "In two years' time my cream check has increased from \$142 to \$187 a month from the same number of cows," writes a Linn county member of the Dairymen's Association. "My cows increased in milk yield 30 percent as a result of improved rations," and "when fed your rations cows yielding 32 pounds of milk increased to 42 pounds," are other reports of Oregon dairymen.

Feeding, breeding, record-keeping, silos, and testing, marketing and bull associations are some of the cost-producing factors placed on a scientific basis by dairymen co-operating with the federal department of agriculture and the state agricultural college.

Some of the things done are sending 164 slacker cows to the butcher, buying 11 pure-bred bulls for association members, erecting 41 silos, purchasing 24 car loads of dairy feeds, organizing three new testing associations, purchasing 74 purebred dairy cattle for association members, and checking 31 separators.

**DEVIL DOGS KEEL ON TOP**

Both basket ball games Thursday night in the high school boys' gymnasium class at the Y. M. C. A. were close. The Devil Dogs vanquished the Blue Devils to the tune of 32 to 24 and the Yanks beat the Tommiees 26 to 29. The games were the cleanest and the most free from fouls of any that have been played on the "Y" floor this season.

The point winners for the Devil Dogs were Proctor and Keeney, Kim-mell showed up well in the guard position. Hesse, Black and Oliver did the honors for the Blue Devils. Kivette, Stoddard and Wilcox were in the limelight on the Yank team and for the Tommiees Theison, Larsen and Robbins played well.

In the ring jumps Keeney, of the Devil Dogs, took first, and Wilcox, of the Yanks, was second. The third place was divided between four other men, Oliver, Lynch, Stoddard and Kivette. Keeney was able to jump over the eight foot jumping standards. Wilcox did the same, but on the second attempt.

A tug of war will be pulled off tonight when the class meets and if the weather is pleasant the teams will be able to show their prowess in some foot races outdoors. Following the races the teams will return to the gymnasium and play basket ball.

The standing of the teams is as follows: Devil Dogs, 53 1-4, Yanks, 41 1-4, Blue Devils 41 1-4, Tommiees 24 1-4.

NOW IS THE TIME to think about your car. The Standard Auto Repair shop, corner Adams and Fir, is doing very satisfactory work. ED CYR, Prop. 2-11m

**JUDGE FOR THE STOCK SHOW**

The American Shorthorn Breeder's Association has recommended several judges of live stock to the Union Live Stock Association, and the association committee having the selection of a judge in charge is already on the job and will endeavor to bring a man of national reputation to Union this year, so that an award at the Union stock show will mean something to the stock-grower, as usual says the Union Republican. In the meantime the growers of live stock in this section should begin now outlining a policy and fitting animals for the big show. No stock-grower can afford to miss this show.
