**Ulsie Ferguson in Robert W. Chambers' Story**

**"The Danger Mark" Is Newest Screen Vehicle For Celebrated Actress of Silent and Spoken Drama.**

ELSIE FERGUSON, the celebrated actress of both the silent and spoken drama, will soon be seen in her newest Artcraft picture, "The Danger Mark," an adaptation from Robert W. Chambers' famous novel.

The theme of this story, which is known to millions of readers, deals with heredity and offers a subject of deep study to all who are interested therein. The photoplay shows how a beautiful young woman who has an inherited desire for drink from a disreputable ancestor, reclaims herself and casts off her chains. In this character beautiful Miss Ferguson is said to be superb.

The filming of this picture at Jacksonville, Fla., attracted much attention on the part of the society folk there. Arrangements were made by Director Hugh Ford to use the beautiful Mason estate in South Jacksonville. Staged amidst elaborate settings of modern society, the story gives Miss Ferguson particularly opportunity to present for the first time her newest collection of costumes, which are expected to attract considerable interest among the feminine motion picture patrons.

"The Danger Mark" will be presented at the Arcade theatre, today and tomorrow.

**Mrs. Moore Was So Weak She Could Hardly Get Up—Health Restored by Tania-lac.**

"I feel so well now that I can hardly realize the awful condition I was in before I took Tania-lac," said Mrs. E. L. Moore, of 943 S. Wellington street, Memphis, Tenn.

"I had been in a rundown condition for two years," she continued, "and was so weak I could hardly keep going. I had to force myself to eat, but nothing agreed with me and I got so lifeless and no account that I could hardly get up when I was sitting down or lying down, or even do my housework. I suffered with splitting headaches that would almost drive me distracted."

"My appetite picked up on my first bottle of Tania-lac and I am now eating three hearty meals a day, those awful headaches are gone and I am feeling fine. I have gained ten all my housework with ease. Tania-lac did me a world of good—more than all the other medicines I have taken put together."

Tania-lac is sold in La Grande by Silvertown and Richardson Drug stores; in Union by L. A. Wright; in North Powder by L. A. Russell and in Elgin by Scott E. Harris and in Telocast by Telocast Grocery Co.—Adv.

**Be Strong**

THE strong and vigorous man or woman is envied by less fortunate humanity afflicted with aches, pains, infirmities and ailments. The sufferer says to himself, "If I could only be well, how happy I would be," for health is more essential to the joy of living than is wealth.

The kidneys almost literally wash the blood and keep it clean and free from impurities. When the kidneys are out of order, they fail to filter out this waste and poisonous matter. It remains in the system to cause headache, rheumatic pains, sore muscles and stiff joints.

**Foley Kidney Pills**  
help the system eliminate this poisonous waste. They soothe, strengthen and heal sore, weak and diseased kidneys and bladder. When the kidneys are working properly, appetite returns, refreshing sleep is possible, and health and strength come again.  
C. W. Smith, 1205 No. 4th St., Salina, Kas. writes: "I am very much pleased with Foley Kidney Pills. I am working in a coal yard and have been very much weakened with my back. I have taken several doses of Foley Kidney Pills and they have already helped me."
