LOCAL HAPPENINGS

Sherman Gumpell, of Summerville, was in town today on business.

Mr. and Mrs. W. Albert Burns, of Toloaset, were La Grande visitors today.

Miss Iva Wilson returned last night from Portland, where she had been spending a few days with friends.

Mrs. Luther Henderson left last night for Portland, where she expects to remain for some time for the benefit of her health.

The B. W. O. C. of the Baptist church will meet with Mrs. Lovett, No. 1415 X avenue on April 4th at 2 o'clock in the afternoon.

Mr. and Mrs. Harry Dawson, of Joseph, returned yesterday from a holiday visit to relatives at South Bend, Ind. They went out on the branch to Joseph this morning.

Mrs. Grace Powers of Medical Springs made a hurried trip to La Grande this week to visit her friend, Mrs. M. A. Harris, before the departure of the latter on her summer trip to Canada.

Serjt. Ralph Kay, whose home is at Enterprise, Oregon, and who has just returned from service overseas with the 48th C. A. C., is spending a couple of days visiting his sister, Mrs. H. J. Browning. He will go to Enterprise about Sunday.

Cards received in town from Dr. Robt. E. L. Holt, a well known former La Grande physician, announce that he has returned from the service to resume his practice in Portland. Dr. Holt was succeeded in La Grande by Dr. Whiting about two years ago.

Mrs. Geo. T. Cochran returned this morning from Portland, where she had been for a week past. Mrs. Cochran went to Portland to attend the convention of county chairmen of Victory loan committees and she reports that splendid enthusiasm marked the work accomplished at the convention.

Steve Hiatt, son of Mr. and Mrs. S. R. Hiatt, of this city, is back with his parents and friends again after an absence of nine months, spent in the service. He was in France for six months, with the 49th C. A. C. He returned to La Grande Tuesday.

Lee B. Bradley, who had been in France with the First field artillery, returned home to La Grande today, after thirteen months in the service. He is losing no time in turning his thoughts to getting into "civilian" again and back to his old job. He expects to return to his former position in the O-W shops on Monday.

Serjt. A. R. Sisk, a recently returned veteran of the World war, who had been the guest of Mr. and Mrs. Jas. McMasters, Oak street, for the past ten days, left last night for his home in Keokuk, Iowa. This was Mr. Sisk's first visit to La Grande and to the McMaster's family. Their acquaintance was made through a "Tobacco fund" while Serjt. Sisk was in France and a friendship was developed through the letters which then followed that brought Serjt. Sisk straight through to Oregon, on his arrival home from France, to visit his new friends.

Miss Lavina Wainwood has resumed her former position at the Western Union office, after an absence of two or three months. The local office has seen its telegraph business nearly dormant during the past eighteen months and as an increase in the staff has been necessary to handle the work. A considerable increase in the delivery business has also taken place and additional messenger boys have been employed. The Western Union has dropped its plan of charging a flat rate for messenger trips, and has adopted the more metropolitan plan of dividing the city into zones, with rates in proportion to the distance the messenger must go.

BONELESS BEEF SAVES U. S. ARMY \$73,000 DAILY

War Department Cuts Expenses on Meat Shipments for the A. E. F.

Thousands of tons of boneless beef was shipped to the American Expeditionary Forces in order to cut the cost of transportation and save valuable freight space. This is only one of scores of ways in which the government eliminated unnecessary expense in the endeavor to make every dollar raised through the four popular Liberty Loans go as far as possible. By shipping all meat for the overseas troops with the bones cut out at the packing houses in America it has been estimated that a saving of \$73,000 daily was made. The suggestion to ship the meat in this economical manner was made by an army man after he watched thousands of tons go for ward by the old method. A carcass of beef contains twenty-five pounds of bone to every hundred pounds of meat and requires twice the shipping space. It is with such unanswerable arguments as these that the government is replying to the charges that money was carelessly spent during the war making necessary the calling of the Victory Loan.

If you are looking for good values in drug lines you will probably be best satisfied in patronizing Silverthorn's "2 for One Sale," which is now on. The Economical Corset
 THE WAR HAS TAUGHT US THE MEANING OF TRUE ECONOMY
 When the government urged conservation and economy, it recommended the buying of quality articles that would give the maximum wear. The mistaken idea that economy meant the purchase of cheaply made articles was removed forever.
MODART CORSETS
 Front Laced
 are made from carefully selected, high-grade materials only. MODART boning, cloth, thread, tape—all are quality materials. The boning in particular—that factor upon which the style and shape of a corset so much depends—is made especially for the Modart Company from clock spring steel—the most perfect boning ever produced. It will not rust or take a permanent bend at the waistline. Every MODART Corset gives a high degree of satisfaction in wear and shape-keeping qualities.
 All MODART Corsets lace in front—because front adjustment means right adjustment. The absence of laces at the back gives form and water's smoothness in gown fitting.
 A trial fitting convinces. You have to see it on a MODART to see its style and feel its comfort. Style and comfort are not easily explained.
 Make a request for a trial fitting in our corset department before planning your spring clothes
