

LA GRANDE EVENING OBSERVER

An Independent Newspaper... Published Daily... Entered as the Postoffice at La Grande, Oregon...

SUBSCRIPTION RATES... By Carrier... Daily, per month... By Mail... Daily, per year in advance...

Good Luck in Bad Weather.

It has been slightly disagreeable the past few days in this part of Oregon, on account of the decline in temperature...

The cold spell is the last thing for the fruit trees and birds back the blooming period...

This is only a part of the grand variety in the way of weather which is a part of the eternal fitness of things...

There Is Always Some Way Out.

The gasoline supply, as everybody in the business admits, is getting to be a problem. There is still enough gasoline to fill the demand...

It is commonly said that the next source of supply will be the oil-bearing shales...

the hole of coal that are of little value when used in the ordinary way... The coal of the future will be better distributed and come more reasonably than in any of the previous loans...

The cost of the process is not given. The department seems convinced, however, that it will be practicable before long to develop it on a commercial scale...

Easy Terms on the New Loan.

The Observer yesterday published the report from Secretary Glass in reference to the terms of payment on the Victory loan subscriptions...

The payments are distributed over a period of more than six months with a fair degree of uniformity...

This is obviously much better than the conditions of the last loan, which made a payment fall just before Christmas...

In all respects the payments are better distributed and come more reasonably than in any of the previous loans...

LA GRANDE NATIONAL BANK... A Landmark In Union County... Capital and Surplus \$ 240,000.00... Deposits 1,321,000.00... Sound, Reliable and Progressive.

the hole of coal that are of little value when used in the ordinary way... The coal of the future will be better distributed and come more reasonably than in any of the previous loans...

But regular payments without reference to the bank guarantees will be more satisfactory to the government, to the banks and to the individuals themselves...

April 10th last day to pay water rent without a penalty.

SUMMERVILLE. After a short illness, Elmer White, a well known Summerville pioneer, passed away at the Grande Ronde hospital, Saturday morning...

Mrs. Besse Ingram who spent the winter here has returned to her home in Idaho.

Mrs. Will Hale is spending the week end with her son, Harold Hale in La Grande.

The Misses Fern and Ona McKinley have returned from Corvallis where they spent the winter in school.

Miss Mary Ellen Hunter of British Columbia is now visiting her cousin, Mrs. M. D. Sorenson of this place...

It is interesting to talk with Mrs. Hunter as she has travelled much, crossing the states nine times...

The Ladies Aid will hold their annual bazaar on Thursday night, April the 10th...

Mr. and Mrs. Bill Choate and daughter, Doris, were transacting business in La Grande the fore part of the week.

After conferring the Rebekah degree Wednesday evening, a delicious lunch was served...

D. R. McKenzie is spending a week in Portland.

Mr. and Mrs. J. J. Wagner were transacting business in La Grande Saturday.

Ed Combs has purchased a Ford car. Mr. Combs has run the stage line between Summerville and Imbler and needed a car.

Delia Black has returned from Wallawa where she spent the winter.

C. R. Hibberd wants to buy some good dairy cows.

Buy your field and garden seeds of Sawyer-Holmes company and be sure of fresh, growing seeds.
