U. S. DEPARTMENT OF LABOR

Never were the people—the buying public—more ready and able to buy than they are today.

There is no scarcity of money. The purchasing power in America today is greater than in all history. The field for new and greater business development is here.

Advertising is the certain, quick, and economical method of developing your business.

When you put the power of advertising promotion and its great economies back of your own business, you are also spreading the spirit of optimism and good will.

The U. S. Department of Labor urges all progressive merchants and manufacturers—in fact, all who have anything to sell—to advertise now and take advantage of the great market which exists at this time.

DR. ARTHUR E. BISHOP HERE SUNDAY MORNING
Dr. Arthur E. Bishop, a prominent Portland clergyman, will preach in the Presbyterian church in La Grande Sunday morning. There will be no evening service in the church. Dr. Bishop spoke in the church here a short time ago, while touring the state in the interests of the New Era movement, and is now on the platform as a lecturer and entertainer. He is highly recommended for his ability in this line of work.

Would Rather Fight Than Work.

"I suffered for years with stomach trouble and could not eat and just hated for anyone to say work to me. I would rather fight. Since taking a course of May's Wonderful Remedy I actually want to work, and talk about eat, I am the last one to leave the table now." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which cause practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold everywhere.—Adv.
