PEACE ENVOYS ASK COUNTRY TO TAKE LOAN

American Delegates in Paris Sent Victory Message to Nation

Four members of the American peace mission to France, Secretary of State Robert Lansing, Col. E. M. House, General Tasker N. Bliss and Henry White, have sent this message to the American people urging support of the Victory Loan: "TO THE AMERICAN PEOPLE: "We have had the opportunity here in France to see and realize the magnitude of the accomplishment of our country in this war and the magnificent spirit with which this great task has been carried through to a triumphant issue. "What has been done and what remains to be done before normal conditions are restored demand your continued and united support with the same spirit of self sacrifice and of determination as that which was manifested by the nation while the German armies faced our men at the Marne, and in the Champagne, at St. Mihiel and in the Argonne. We must not relax our efforts until every soldier of the republic is landed on the soil of America. "To finish this mighty task imposes upon the government of the United States a great financial burden. The Victory Liberty Loan must thrive. If it should fail it would indicate that the Nation is willing to leave its task uncompleted. "To secure the ideals for which Americans fought and died this great demand on national patriotism and united effort should meet a generous and universal response. Let us do our duty to the end. "ROBERT LANSING, "HENRY WHITE, "E. M. HOUSE, "T. N. BLISS."

Business Men's Tea of Volleyballers Go to Baker Wednesday

The journey to Baker which the volley ball team representing the business men's Y. M. C. A. class has been looking forward for some time will take place Wednesday this week. Tentative dates set for the trip at earlier dates were changed twice, but it has now been definitely arranged to go Wednesday. The selection of the players for this trip was made a few weeks ago and they have been working together frequently at the "Y" to put themselves in shape to give the Baker bunch the trimmings which La Grande feels is coming to her. La Grande, it is said, taught Baker to play volley ball with such success that Baker had cleaned up on the locals on the last few occasions the two teams have met. The La Grande bunch still teach Baker a few of the finer points of the game and expect to vindicate that belief Wednesday. It is expected that the trip will be made by automobile, and the games will be played in the evening. The players who will represent La Grande are S. D. Crowe, captain, and Elmer Stoddard, N. W. Fries, Dave Stoddard, L. Bennett, Dor Scott.

Modart Corsets Front Laced

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to really improve that condition if you will come to our corset department and get a trial fitting of five MODART front laced corset.

Stimulate Retail Sales ADVERTISE U. S. DEPARTMENT OF LABOR Never before has the American public had the money to spend which it has today. The merchant or manufacturer who sits back and waits for this money to come to him without making any effort to get it will awaken when it is too late. He will then realize that his more aggressive competitor has been on the job and has taken advantage of the strongest sales weapon known to industry, namely, advertising. Don't wait for things to come your way without doing anything to help them along. Advertise—increase your advertising. Use the newspapers to tell your story. Multiply the value of your sales talk a thousand fold and more. Develop that great potential market which is ready and willing—yes, eager to buy the things you have to sell but does not know that you have them. To stimulate business surely, quickly, and economically—Advertise now. U. S. Department of Labor ROGER W. BABSON, Director General, Information and Education Service. W. B. WILSON, Secretary.
