

*What is it worth to
get him home alive?*

An early victory meant a costly victory.

It was a case of dollars or of lives—of “spending money like water,” if you will, or of prolonging the fight. Another year of war would have cost the lives of thousands upon thousands of American soldiers.

Surely it is better to LEND our gold than to GIVE our dear ones.

La Grande Knows What it is Worth

OUR BOYS ARE RETURNING ALMOST EVERY DAY. ONE OF THEM ALONE, SAFE HOME AGAIN, IS WORTH MUCH MORE TO US THAN THE WHOLE QUOTA FOR THE COUNTY, OR FOR THE STATE. IT IS BECAUSE WE REALIZED THAT UNION COUNTY LED THE STATE FORCES OVER THE TOP, AND FOR THE SAME REASON EVERYONE WHO POSSIBLY CAN IS GOING TO HAVE A SHARE IN THAT GREAT, EXULTANT SPIRIT OF VICTORY.
