At the Movies

**BERT LYELL IN NEW
METRO PRODUCTION**
Bert Lyell, the Metro star who has
flushed into fame on the screen in the
same meteoric manner in which he at-
tained success on the stage, will be
seen today at the Sherry theatre,
in a gripping drama of intense heart
appeal, "Faith," a story of love and
humanity.

The play tells the story of a young
man who has drifted from the "good
influences of life and settles down to
a hard, ungodly existence which
fills him with the crumblings of
life.

Although he is content to exist in
this manner, the two women who have
an intense interest in his life decide
that it is faith and love that is lack-
ing to bring to the heights of achieve-
ment. How they accomplish this and
the beauty of the romance which

completes the story is beautifully
told in this gripping drama of human
hopes and happiness and Mr. Lyell
is seen in a role which gives him
great scope for his versatile dramatic
ability. With him are seen such
artists as Rosemary Theby, Edith
Chapman, Edwin Stevens, and Nancy
Chase.

Episode No. 2 of the Man of Might
will also be shown.

B-H Floor Paint

Springtime
is "clean-up" time

While you are doing your spring cleaning,
consider the need of repainting your floors. A
painted floor is a clean floor—or, at least is
cleanly cleaned. No cracks; no germ-catching
wood spots; no unsightly blemishes.

B-H Floor Paint is made in California for
Pacific Coast conditions and climate. Spreads
easily—a quick dryer—forms a hard, yet elas-
tic coating which lasts and wears twice as long
as the average paint.

There is a B-H product for every use. Call
today and let us prove it to you!

HOSPITAL TRAIN CROSSES U. S.

For the first time in the history of
the army a complete hospital train
made the entire transcontinental
trip from New York City to Camp
Kearney, Cal., during the last week
in March. It carried 136 sick and
wounded overseas fighters who had
been evacuated from debarkation
hospital No. 5 in the Greenhill build-
ing, debarkation hospital No. 5 in the
Grand Central Palace, New York
City, and the base hospital at Camp
Merritt, N. J. The patients were all
men from the far west who were
being removed to the hospital nearest
their home towns.

The men were accompanied virtu-
ally the whole length of the trip by
Red Cross workers who were on duty
in relays. At each stop a pair of Red
Cross women boarded the train and
rode to the next station, where they
were relieved by their Red Cross sis-
ters in that town, who took on the
work where they left off. This ar-
rangement worked perfectly.

The train was in charge of the
medical department of the United
States army and in addition to the
invaluable, carried a large escort de-
partment of enlisted men of the med-
ical department. Towns and cities
along the route were notified of the
departure of the hospital train and
the expected hour of its arrival and
the boys received a rousing welcome
at every stop. In this manner every
Red Cross auxiliary was on hand to
regale the heroes with good things
to eat and drink and cigarettes.

Stimulate Retail Sales ADVERTISE

U. S. DEPARTMENT OF LABOR

Never before has the American public had the
money to spend which it has today.

The merchant or manufacturer who sits back and
waits for this money to come to him without making
any effort to get it will awaken when it is too late.
He will then realize that his more aggressive competi-
tor has been on the job and has taken advantage of
the strongest sales weapon known to industry, name-
ly, advertising.

Don't wait for things to come your way without
doing anything to help them along.

Advertise—increase your advertising. Use the
newspapers to tell your story. Multiply the value of
your sales talk a thousand fold and more. Develop
that great potential market which is ready and will-
ing—yes, eager to buy the things you have to sell but
does not know that you have them.

To stimulate business surely, quickly, and eco-
nomically—Advertise now.
