A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, heavy "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. *Take one or two nightly for a week. EXPLAINS TAX ON ICE CREAM. EACH TEN CENTS OR FRACTION TAXED ONE CENT. Not Many Articles Sold at Soda Fountains Will Escape New Internal Revenue Levy. The following tentative rulings have been made by the commissioner of internal revenue for collection of tax under section 6309 of the revenue act of 1918, affecting sales at soda fountains on and after May 1, 1919. The tax is measured by the price for which the food or drink is sold. It is on the actual sales price at the rate of 1 cent for each 10 cents or fraction thereof of the amount paid for any of the articles mentioned in section 6309. Each sale for 10 cents or less is taxed 1 cent, and each sale of over 10 cents is taxed 1 cent for each 10 cents or fraction thereof of the price. The tax is upon the whole amount of the price paid by the purchaser when the price is paid at one time, though in payment for several articles which are the subject of a single transaction of purchase and sale, the total price paid is the unit for computing the tax. Thus if the purchaser orders two sodas at the same time, each sold for 15 cents, the tax is 3 cents, and not 4 cents. If, however, he buys one soda for 15 cents, the tax is 2 cents, and if he then immediately purchases another 15-cent drink, the tax is 2 cents on the second sale which cannot be treated as part of the first sale. Any means by which separate purchasers pool their orders for the purpose of defeating or escaping the tax imposed, shall be carefully guarded against by the vendor, for its employment subjects the purchaser and the vendor, if he connives in it, to the penalties provided by the act. The following articles of food or drink are subject to tax within the meaning of section 6309: All beverages when compounded or mixed at the fountain, such as orangeade, lemonade, pineapple juice, coco cola, root beer, moxie, flavoring syrups, compounded or mixed with carbonated or plain water, milk shakes in any form, malted milk shakes in any form, milk or egg shakes, ice cream, ice cream sodas, ice cream sandwiches, flavored ices, and all other similar food or drinks. This list shall not be considered to be complete, but it is merely illustrative of the class of articles subject to tax. Beverages not taxable: There are often sold at soda fountains and ice cream parlors, certain drinks which are not regarded as soft drinks or ice cream products or similar articles of food or drink within the meaning of the act. Such beverages are exemplified by hot beef tea, coffee, hot, cold or iced tea, cold or iced buttermilk, or hot chocolate or cocoa, hot clam broth or bisque, hot tomato bisque or bouillon. No tax applies upon the sale of beverages or drinks, such as ginger ale, root beer, moxie, mineral water, etc., when served directly from a container as the manufacturer's tax on such.

Mrs. Larsen Has Gained 14 Pounds Says the Way Tanlac Helped Her Is Nothing Short of Wonderful. According to the testimony of multiplied thousands who have tried it there is nothing so well adapted to the needs of a run-down system as Tanlac, and in every case where a fair test of its powers is made another enthusiastic witness is the invariable result. Recently in telling of the remarkable benefits she has derived from the medicine Mrs. Agnes Larsen, residing at 1948 South G street, Tacoma, Washington, said: "The way Tanlac has relieved me of my suffering and built me up is nothing short of wonderful. Why, I don't only feel like a new woman, but I have actually gained fourteen pounds in weight besides. I was in an awfully weak, run-down condition for two years and so nervous that the least little thing out of the ordinary would upset me. I suffered all the time with a pain across my kidneys, which was so bad at times, my back felt like it would break. I was very restless at night, up and down at all hours, unable to sleep. I also suffered a great deal with dizziness and faint feelings, and was so weak that I could not get through with my housework without stopping several times to rest. "One day I was being a friend of mine how I felt, and she advised me to try Tanlac. So I got a bottle and that was one of the best things I ever did. My husband, who was suffering a great deal with indigestion and gas on his stomach commenced taking it the same time I did and between us we took eight bottles, and a darn in good condition. His stomach is in such a good condition that he eats just anything and it all agrees with him fine. And as for me, it has built me up until I feel altogether different. My nerves are so much stronger and better that I can sleep all night long, and my appetite is just fine. I no longer have those weak, dizzy spells and the pain has left my back entirely. Both myself and husband feel like new men, and if I ever feel my system getting run down again I shall take more Tanlac because I know so well what it will do. "Tanlac is sold in La Grande by Silverthorn and Richardson Drug stores; in Union by L. A. Wright; and in Elgin by Scott E. Harris and in Toledo by Telocant Grocery Co."—Adv.
