HITTING PITCHERS THE STYLE NOW

Babe Ruth of the Boston Red Sox, and Joe Wood of the Cleveland club, are two pitchers who have set a new pace in baseball marking the passing of the era when a pitcher was not expected to be much of a batsman. They are two of the most dangerous hitters in the big leagues and so deadly with their war club that they are kept in the lineup every day in field positions. During the last of the training season at Baltimore, Ruth knocked six home runs in six times at bat.

Contractor Tells Of Improvement

Bainbridge Gains Twenty Pounds Taking Tanlac; Troubles Ended.

"My old time energy, with twenty pounds of my lost weight have been returned to me by the use of Tanlac," said C. E. Bainbridge, the well known contracting painter, decorator and wall paper man of 83 East 11th street, Portland, in an interview, recently.

"Just about a year ago," said Mr. Bainbridge, in describing his case, "I lost my appetite and soon got to where nothing I would eat agreed with me. My food would lay in my stomach and ferment, bloat me up as light as a drum and cause me to suffer agony. Of course I had to live on a very light diet and not being able to get the proper nourishment I lost weight and strength continually. I dropped down from one hundred and sixty-five pounds to one hundred and thirty-two—losing thirty-three pounds—in just a few months. I finally got so weak and run-down I had to give up my work and was laid up for more than five weeks. Then I began suffering with rheumatism all over, which was especially bad in my right arm. The muscles in this arm would become so drawn and painful that I could not get my hand to my head. My back also hurt me all the time. I was habitually constipated and such terrific headaches that I could hardly see. I was so nervous the least noise would upset me and I have gone through many a night never closing my eyes for sleep. My strength and energy had just about all left me and my condition had become alarming to me. In fact I had become discouraged, as I had taken so much medicine without getting any relief.

"Finally a friend of mine, knowing the fix I was in advised me to try Tanlac, saying his wife had been in the same condition and that six bottles of Tanlac restored her entirely. So after he told me this I lost very little time in getting me some Tanlac, and believe me, it has done the work. After taking the first bottle I was simply eating like a bear and I have been eating just anything I want since that time with no signs of bloating or any other discomfort afterwards. I have just finished my fourth bottle now and the rheumatism, is gone too. With the aid of Tanlac Tablets I have been relieved of constipation and it's a fact, I haven't had a headache since I began taking Tanlac. I simply sleep like a log every night and can do a full days work and still feel fresh and fine at night. My wife also suffered from indigestion and she has gotten entirely rid of it by using Tanlac. I tell you it's great and people with a stomach trouble and rheumatism will do well to take it."

Tanlac is sold in La Grande by Silverthorn and Richardson Drug stores; in Union by L. A. Wright; and in Elgin by Scott E. Harris and in Tolocasset by Tolocasset Grocery Co.—Adv.

MODART CORSET Front Laced

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset.
