PERRY SCHOOL HOLDS THEIR ANNUAL PICNIC

REPAIRS ON TRUCK FACTORY FINISHED—NIGHT SHIFT AT MILL COMMENCED MONDAY—THE SCHOOL CLOSSES MAY 16.

PERRY, Oregon, May 12.—(Special)—Perry Tuesday morning to Mr. and Mrs. Horace J. Nelson, a boy. At a meeting on the Four L. members Wednesday evening it was decided that the men preferred having a night crew work for a time rather than for the day workers to put in several hours overtime.

Repairs at the box factory are about finished and it will be running with a full crew in a few days.

Pete Hogenson went to La Grande Wednesday evening and while there he had quite an exciting experience with his new Chevrolet car. He met some K. P. friends from Baker and on their expressing a wish to see the town, Pete offered to show them around. He went up past the hospital in order to obtain a good view of the city, and when he tried to back the car to turn around, the rear wheel fell into a deep rut. The car immediately turned turtle and stuck with it when sticking up in the air. All the men including Mr. Hogenson himself, escaped without injury, while the machine was not damaged as much as might have been expected. The windshield was broken, one of the fenders was bent, and there was considerable damage done to the top of the car. Mr. Hogenson went back to La Grande Thursday morning and ran the car into his garage for much needed repairs.

The Perry school held their annual picnic last Friday in a grove north of town. The Grande Grande river, he was to catch the controversy between Perry and Bileard. A number of patrons accompanied the teachers and pupils. Between fifty and sixty took part of a dainty lunch at the picnic. David Godes and family left town.

for Salt Lake Monday to take the Utah capital... They leave a part of the funds here whose... to their new home. A night shift began work at the mill Monday with George Andrews as sawyer. The local schools will close Friday May the 16th. Harry Hamon is building a new garage to replace the one which is nearly burned down. Miss Maxine La Bean is recovering from the effects of her recent operation and will return to Spoken in a few days to resume her work. Mrs. L. M. Rogers arrived here from Boise, Idaho, a few days ago to join her husband who recently accepted the position of box factory foreman at the local mill. The illness will make Perry their future home.

BASEBALL GAME FOR WEDNESDAY IS CALLED OFF

The Coe-La Grande baseball game arranged for tomorrow afternoon as part of the celebration of soldiers' day has been cancelled on account of the unavailability of the players of the entertainment committee, caused by the arrival of the hospital unit earlier than was expected. The reception for the soldiers will have to take place after dark tonight, so that it will be impossible to play the game.

WILL MAKE DELIVERIES

Notices published yesterday to the effect that the La Grande Delivery company would not be in service Wednesday have been withdrawn. Deliveries will be made tomorrow, as usual.

NORTH POWDER FOR THE PLAN

(Continued on Page 2)
Horn, merit. F. L. Meyers tried to set a mine of every kind of mine on the table but there was three kind that physical capacity presented him from trying. These three were taken in by Larson and there is an argument now between the two men as to which was the best cake on the table. Fred Hultine was to act as referee but he is persuaded for he fell in love with an angel foot cake. The Perry school held their annual picnic last Friday in a grove north of town. A TRIAL WILL CONVINC YOU.
NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.
