At the Movies

A MASTERLY PRODUCTION.
 Mrs. Lina Cavalieri's new Paramount photoplay, "A Woman's Impulse," which is to be shown at the Arcade Theatre on Wednesday and Thursday, is said to be a masterly production that will live long in the memories of all who see it. It is a dramatic story of intense interest and deep heart appeal. The supporting players are among the best. Raymond Bloomer plays opposite to the star. On the same program will be shown a two-reel Sunshine comedy called "Roaring Lions on the Midnight Express." Without a doubt this is the funniest comedy that has been shown at the Arcade for some time and if the picture fans are looking for something to laugh at they will not go wrong in seeing this comedy.

INTO THE MINUTE PLAY
FOR HALE HAMILTON
 "Johnny on the Spot," is latest of the successful comedy-dramas produced by Metro in which Hale Hamilton is to be seen. This play, which is of original plot and character, will be the attraction at the Sherry theatre today and offers exceptional entertainment.

The story, which is a complicated one, is handled with gratifying cleverness and shows the popular star at his lively best. The plot deals with the adventures of Johnny Rutledge who believes that life is made to be taken easily and that all things worth having come to him who waits. Accordingly he goes through life in a drowsy, lax manner, content to believe that time will bring his ambitions. Suddenly however, there is a transformation and the erstwhile drowsy young man galvanizes into electric activity—a very rival to the wine-footed Mercury. The cause for this is love—romance, and the need to help a beautiful girl. The play is one of distinctive interest and the cast of exceptional note.

Also episode No. 5, The Man of Might, entitled the Human Shield.

With organized "rocking crews," the Oregon State Elks association is preparing its organization to carry Oregon "over the top" in the home service campaign for the Salvation Army June 22 to 26, when it is planned to secure \$250,000 or more for the work of the army in this state.

"CAN I BE CURED?" SAYS THE SUFFERER

How often have you heard that sad cry from the victims of disease. Perhaps the disease has gone too far for cure, but even so it is just in the first stages and the pain and agony are only nature's first cry for help. Do not despair. Find out the cause and give nature all the help you can and she will repay you with health. Look after the kidneys. The kidneys are the most overlooked organs of the human body, and when they fail in their work of filtering and throwing off the poison that constantly accumulates in the system, everything goes wrong. GOLD MEDAL, Danville, Va. Corsets will give almost immediate relief from kidney and bladder troubles and their kindred ailments. They will free your body from pain in short order. But be sure to get GOLD MEDAL. Look for the name on every box. In three sizes, waist preference. Money refunded if they do not help you.

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset.

HELP!

You may be able to defend yourself from a frontal attack, but how about it if you are held up from the rear?

Your body has to fight constantly against disease. It isn't always a fair fight, because constipation is a treacherous enemy that you usually don't recognize until too late.

Stagnating, poison-forming food waste in your large intestine, helps disease to attack you and hinders you from defending yourself. Such self-poisoning causes over 90% of human illness.

You may be held fast for months in the grip of constipation, trying vainly to free yourself by taking castor oil, pills, salts, mineral waters, etc., in order to force the bowels to move. Not only will the constipation grow worse with the continuance of such remedies but you will be less able to defend yourself against the attack when it comes.

On the other hand, Nujol overcomes constipation and brings about the habit of easy, thorough bowel evacuation at regular intervals. It acts gently and harmlessly, at all ages under any conditions.

Take Nujol and constipation can't sneak up on you and cripple you when you least expect it. Get a bottle of Nujol from your druggist today and write for free booklet "Thirty Feet of Danger."

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark. All druggists. Insist on Nujol. You may suffer from substitutes.
