BOY'S TROUBLE COST MOTHER THOUSANDS

Suffered Since He Was Two Years Old—Gains 10 Pounds on Tanlac—Now Well and Strong

"My nephew, Jas. Hogan, who is fifteen years of age, has gained sixteen pounds on Tanlac and is now a robust, happy boy after thirteen years of awful suffering," said Miss Maggie Goldsmith, 280 Henry Ave., Memphis, Tenn. Miss Goldsmith has been connected with the Joe L. Ullathorne Seed Co., of that city for twenty-seven years and is a stockholder and director in the company.

"Ever since James was two years old," continued Miss Goldsmith, "he has been afflicted with stomach trouble. Two or three hours after eating, especially the evening meal, he would begin to complain of severe pains in stomach which would increase until he would go into convulsions. These spells would come on five or six times a month and last about thirty minutes and he would be unconscious for an hour. Some said he had heart trouble and others said it was vertigo. His condition kept him down to almost a skeleton and it was pitiful to see how he suffered.

"His mother took him to St. Louis, and many other places for treatment, and we spent thousands of dollars trying to find some relief for him but it was all to no avail.

"But all that awful load of anxiety and worry has been lifted. James is now a well and happy boy and is going to school, and a few bottles of Tanlac did it. He always complained of having to take other medicines, but he seemed to like Tanlac and since taking five bottles he is sixteen pounds heavier and doesn't look like the same boy. He wants to eat all the time and can eat anything without it hurting him. It makes us rejoice to see James well and stout and enjoying life like other boys. We are not looking for notoriety, but for the sake of suffering humanity, we are willing to give our unqualified endorsement for Tanlac."

Tanlac is sold in La Grande by Silverthorn and Richardson Drug stores; in Union by L. A. Wright; and in Elgin by Scott E. Harris and in Telescast by Telocast Grocery Co.—Adv.

Cannibalism is supposed to be a thing of the past, nevertheless a short time before our visit to this island, this ship was blown ashore. The natives of the neighboring islands told us of columns of smoke arising, signs of feasting, and the ship's crew of eight men have strangely disappeared. Cannibalism is by no means dead.
