PATIENT HAS MADE BIG GAIN

Prominent Physician Continues To Use Taulac in Practice With Surprising Results. One of the strongest and most convincing evidences of the remarkable results being accomplished by Taulac throughout the country is the large number of letters that are now being received daily from scores of well-known men and women who have been benefited by its use. Among the large number that have been received recently none are more interesting than the following letter from Dr. J. T. Edwards, of Fayetteville, Ga. Dr. Edwards, it will be remembered, recently gave Taulac his unqualified indorsement in a public statement, and the testimonial published below was recently given him by one of his patients. His letter follows just as it was written: Fayetteville, Ga. Mr. G. F. Willis, Atlantic, Ga. Dear Sir: I am enclosing you herewith statement I have just received from Mr. T. M. McGough. He has sold out here, and is moving to Turin, Ga. He was here this morning, and came in to tell me what Taulac had done for him. He says too much cannot be said about Taulac. It certainly has cured him. Respectfully, J. T. EDWARDS, M. D. Mr. McGough's statement follows: "I suffered from indigestion and

Americans Seen Everywhere Around Paris and Its Environs. PARIS, (Correspondence of the Associated Press)—Standing amid the glories of the royal past of France, in the park at Versailles, an American doughboy burst into this apostrophe: "Say, pal, where do you get ears around these dignities?" American fighting men in leave parties led by trained guides from the Paris headquarters of the Young Men's Christian Association War Work Council may be seen everywhere in Paris and its environs, enjoying the monuments of the old regime and of the empire in a truly American fashion, which does not prevent the association of the great palace of Louis XIV and "chow." "Looks like a decayed church," was the deliberate estimate of another boy in khaki as he stood before the Hotel des Invalides. Then he went inside and became enthusiastic over the marble railing about the tomb of Napoleon—because it was so "white" and hadn't a flaw. One of them emerged from the Invalides and grow almost poetic about the yellow light coming through the stained glass windows above Napoleon's casket. Then he caught himself, and almost blushed. In the next breath he called the Court des Invalides "the 'souvenir parlor' of armies of France." When he saw Gynneson's airplane and learned what it was, he maintained a reverential silence of more than a minute before he began to determine its "magic." Perhaps the reactions from Versailles are the most illuminating. Halting at the Fountain of Neptune, a doughboy cast his eye appraisingly down the vista of the park. "Gee," he said, "there must be two miles of fountains." Best of all, apparently, the gold-ers like to go and sit on the banks of the Seine—watching the river traffic. The one-fourth size Statue of Liberty presented to Paris by the American colonies watches over them here, but even it is the subject of frank criticism. "Hi," said one of the critics. "It don't look as good as the old girl will when we steam into New York harbor."

SANDRIDGE INVESTMENT.

A fine tract of land on a main road, close to a warehouse, all summer-fallowed this year; owner has too much land. This is a splendid investment. We have a renter, a good farmer who will give half the crop as rent each year. Some man with money ought to buy this; there is no safer investment than Sandridge land. WASHINGTON, May 22—Chairman Hays of the Republican national committee announced Wednesday no contribution of more than \$1000 would be received from anyone for the financing of the Republican campaign and launched a policy of country-wide small individual subscriptions. The new plan marks the passage of great campaign contributions from corporations and individuals being the subject of attack by the Republican party's political enemies. The chairman will outline questions of importance to be discussed.

MODART CORSETS Front Laced. WHY LOOK OLDER THAN YOU ARE? It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are. It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset. Pauline Lederte
