PERRY PEOPLE PLEASED WITH NEW TRAIN SERVICE

SCHOOL CLOSURE A SUCCESSFUL YEAR—WOMEN EMPLOYED IN BOX FACTORY—LUMBER MILLS RUSHED WITH WORK.

PERRY, Or., May 20.—(Special.)—Mrs. A. E. Vanhos set up from La Grande Thursday evening to attend the closing exercises of the local schools.

The Grande Road Lumber company is having some difficulty in securing enough men for their night crew and some of the day shift are having to work nights also.

Mr. and Mrs. Hanson were up from their home in the valley Thursday evening to attend the school program.

Owing to the scarcity of labor the local box factory has again taken on several ladies. They were used last fall and the company was well satisfied with their work.

H. J. Nelson made a business trip up in Washington last Saturday and returned the fore part of the week.

The Perry school closed its term last Friday. Although the school lost a month last fall on account of the flu epidemic, both the primary and the grammar grade rooms were able to complete their penmanship and arithmetic their year's work. On last Thursday evening a closing day program was given at the hall and a goodly number of the patrons turned out and thoroughly enjoyed the following well prepared exercises by the pupils:

Comic dialogue—George and Frank Robertson.

Recitation—Mary Johansen.

Snowdrift Dance—Eight primary pupils.

Recitation—Elizabeth Hall.

Dialogue—The Photograph Gallery.

Recitation—Alfred Mathison.

Dialogue—"The Old Woman Who Lived in a Shoe," primary pupils.

Recitation—Ardell Braden.

Daisy Drill—Primary pupils.

Recitation—Chester Thompson.

Pantomime—"Columbia, the Gem of the Ocean."

Recitation—Wilma Thompson.

A Farce—"The Train Song."

Recitation—Eldred Caldwell.

Pantomime—"Comin' Through the Rye," by Cyrella Hansen, Elizabeth Johansen, Catherine Carr and Jessie Murray.

After the program Mrs. A. E. Vanhos, the county school superintendent, who was present, made a short talk to the pupils and patrons. Miss Kimmell, the primary teacher, has returned to her home in La Grande and after a few weeks there will go to Modmouth for the summer term. Mr. Connor will remain in Perry for the vacation.

George Myer and Lloyd Kelly have started on a motor trip up into Washington. The boys intend to stop at various places and work during the summer.

Johnny Robertson and family went on to the landing near the Grande Road Lumber company's upper logging camp. Mr. Robertson has a contract for several weeks' hauling and the other members of the family will camp along the river till he finishes his work in that place.

Perry people are very much pleased with the new train service, as it enables them to go to La Grande at either 11 or 2 o'clock and return early in the evening. Before this new train was put on the only west-bound train that stopped here arrived between 3 and 4 o'clock in the morning.

Get Well

It is indeed hard to stand at one side with the stream of life flows by. A man or woman condemned to sickness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure, deserving of sympathy.

Foley Kidney Pills

Much sickness, pain and misery result from disordered kidneys and bladder. Failure of the kidneys to do their work in the body and the consequent accumulation of waste products in the blood, are the cause of many troubles, such as rheumatism, neuralgia, sciatica, etc., or other symptoms of kidney trouble.
