Guard and that the former bourgeoisie have very few privileges. To be well dressed is a crime. The haid upper classes must masquerade as poor folk whenever they go to the streets. Good clothes or fur bring down upon them the cry of "Bourgeois." One word of praise or of non-submission to the ruling power is quite sufficient to evoke the damning word, "counter-revolutionary." That means prison and sometimes death. The jails already are full of bourgeois revolutionaries and Armenians, says almost daily from 30 to 50 men and women are shot.

ELKS PLAN BIG TIME IN BAKER

LA GRANDE LODGE TO BE THERE
WITH BELLS AND MUSIC.

Special Train With Full O. W. Band,
to Visit the Sister City Next
Tuesday Evening.

With the Baker Elks planning the time of their lives for next Tuesday evening, La Grande Elks are showing the brotherly spirit by chartering a special train which will leave here Tuesday evening, carrying a large delegation, including the O. W. band.

Nothing will be spared to make this a great event in Baker and La Grande. Elks intend to do a little boasting on their own accounts. The large membership here insures a trainload of people, all of whom will be Elks or their families.

The band is in fine shape and is getting the Elk punch in a lot of music which will be used for the occasion.

Curiosities of the Calendar.
It will be found that January always begins on the same day of the week as October, and the same is true of April and July, September and December. Again February, March and November also begin on the same day of the week. This, however, is only true in years of 365 days.
