

# NEVER FELT BETTER IN LIFE

Denver Man Takes Tanlac—By J. J. Robertson After Two Years Suffering

"For the first time in two years I am feeling strong and well again and it was not until I had taken the first dose of Tanlac that I felt like a new man."

"I don't know what was the matter with me," he continued, "but I had lost my appetite and the little I forced down failed to digest and I suffered terribly with gas on my stomach. There was a constant pain in my back, and my legs and feet would swell at times that I could not put on my shoes. My kidneys worried me so much I never could get a good night's rest. I felt tired and worn out all the time. The medicine I took did me no good and I was into such an awful fix that I had to lay off from work as much as three days at a time, and when I did go to work it was all I could do to get through the day."

Tanlac was recommended to me through the doctor. I decided to try it. My first dose brought on an appetite. I had the entire relief of my gas and bloating. My kidneys don't bother me any more. I sleep like a log and can do as good a day's work as anybody. In fact I never felt better in my life than I do right now."

Tanlac is sold in La Grande by Silvers and Richards' Drug Stores; in Union by L. A. Wright; in North Powder by L. A. Russell; in Elgin by Scott E. Harris; and in Telocasset by Telocasset Grocery Co.—Adv.

I will not stand responsible for any wills contacted by my wife, Rose Robertson, from this date, June 4, 1919. T. J. ROBERTSON.
