STIRRING METRO DRAMA SHOWN WITH MAY ALLISON

"The Island of Intrigue," the feature at the Sherry Theatre today, with charming May Allison in the starring role, is a sensational romance of adventure and intrigue.

The plot reveals the daring abduction of a beautiful society girl by a clique of swindlers who secretly carry her off to a remote island in the Pacific ocean. Here she is held for ransom but the high-spirited daughter of the millionaire outwits the schemers and manages her escape and the apprehension of the desperate band by means of a secret wireless. In an unexpected and surprising manner romance comes to the lonely island where the girl meets the man of her heart.

"The Island of Intrigue" is a romantic comedy with a melodramatic touch which is highly entertaining—it is a screen story of remarkable appeal and shows Miss Allison in a role which mirrors her winsome and charming personality.

THE SALVATION ARMY RAISING THE DOUGH WITH DOUGHNUTS

The dough that made the doughnuts happy and was so widely and generously distributed to our boys "Over There" by the Salvation Army, has been prominently featured by that organization in the great national drive to raise funds to continue over here their great work in the cause of humanity.

In the great drive in New York City, doughnuts were sold by the Salvation Army by the thousands at one dollar apiece. The Royal Baking Powder Company contributed to the Salvation Army a large quantity of

their famous product, which not only raised the dough in the doughnuts but went a long way in helping raise the dough for the fight.

This famous doughnut is shaped like a life preserver and is doubtless regarded as such on many occasions by our men in the battle line beyond the reach of nations. The doughnuts have sung its praises so much that the hope for making four doughnuts of the kind of doughnuts that help win the war is given here for the benefit of our boys.

Five cups of Good Two-Cups Royal Baking Powder, one teaspoonful of salt, two eggs, one and three-fourths cups of milk and one teaspoonful of lard, knead, shape with a doughnut cutter, drop into very hot fat and in a few minutes—you have it!

America's Glorious Day The 4th of July

means more than the flare of rockets and the roll of drums—symbols of our patriotic celebrations. For this day commemorates the birth of a nation—a "Government of the people, by the people, for the people," which stands today a leader on the earth. Each generation has strengthened the great structure of Americanism, founded on the ideals expressed in America's Declaration of Independence—ideals to which today the world aspires. With thankful hearts and a fixed purpose to be worthy at once of those gone before and of tasks ahead, we celebrate this glorious Day of Independence.
