PLAN NEW HONOR FOR HOOVER

Belgians Collect Money to Give Him Work of Art Symbolizing Achievements.
London.—Some time ago the King of the Belgians conferred on Herbert C. Hoover, the founder and first president of the commission for relief in Belgium, the title of "friend of Belgium." To commemorate the conferring of this unique title, the Belgian order of St. John of Jerusalem has opened a subscription for the purpose of offering Mr. Hoover an address, and also a work of art symbolizing the life which this American managed to maintain in the oppressed country during the German occupation. The Belgian army joined in the movement and each unit has sent a subscription. The contribution from the army alone is more than \$3,500.

Strange Indian Names.
Rapid City, S. D.—A recent issue of the Ogata Light, the monthly magazine of the Pine Ridge Indian reservation school near here, gives some peculiar names among those listed as students. Lizzie Shot to Pieces is at the end of the list. Other names include Victoria Holy Rock, Julia Afrald of Hawk, Mary Brown Ears, Julia Crazy Ghost, Mercy Yellow Shirt, Emma No Fat, Ella Red Eyes, Martin Chase Alone, Noah Horse, John Left Hand and Julia Stands Up. Out of 93 students attending the school only four have French names and seven names of English origin.

Woman's Conscience Money.
J. R. Smock, agent for the Union Traction company at Marion, Ind., received 20 cents in conscience money from a woman in Fairmount recently, and very promptly turned the cash, two silver dimes, over to the Salvation Army. Here is the letter which came

with the money:
"Enclosed find 20 cents, which I felt that I perhaps owed you for using transfers after a short stopover. My intention is to be honest and not let anything come between me and my chance of heaven."

Lightning Stuns Family.
Lightning struck the farm residence of O. B. Smith, south of Fort Morgan, Colo., the other day, tearing a great hole in the roof, but owing to the heavy downpour of rain the house was saved from being burned. The family was sitting at the table eating supper when a heavy bolt of lightning struck the house, the lightning coming down the chimney, striking the floor and splintering the entire family unconscious for an hour. When they regained consciousness the rain was pouring in through the hole made by the bolt.

Kill 254 Rats in One Day.
It is believed the rife-killing record is held by A. J. Walker and his two boys, who killed 254 rats in one day while moving hay in the Walker barn near Valdosta, Ga. A well-beaten rat path ran from the hay to the near-by corn crib. One of the party shook the hay while the other two slaughtered rats as they made for their eating quarters.

Knew When to Behave.
Donald was usually mischievous and needed speaking to frequently. So his mother always cautioned him before company arrived to be on his good behavior. One evening one of the guests, observing the small boy was quiet, asked him if he was always so good. "Oh, no," replied Donald, frankly, "but I'll catch it if I don't behave while company's here."

Observer advertising will bring to Observer office.

WHY LOOK OLDER THAN YOU ARE?
It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are. It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset.
