MODART CORSET
Front Laced

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a real Modart front laced corset.

LOCAL HAPPENINGS

Belated Promotion Comes

Captain E. B. Waffle of Astoria who is transacting business in Portland today, is receiving the congratulations of his friends over the announcement of his promotion from lieutenant to captain. The doctor served with field hospital 167 of the Rainbow division, which recently returned home, and though he was made a captain some time ago the official announcement was delayed in reaching him until just a few days ago. Captain Waffle was known to the "boys" as the "father of the company," not because of his age, but because of his untiring efforts throughout the campaign to see that his men were properly taken care of and, as he says, "got all that was coming to them."

Luncheon Given Miss Tarbell

The ladies of the Neighborhood Club were hostess yesterday noon at a luncheon given at the Foley hotel in honor of Miss Ida M. Tarbell. About forty ladies were present to meet Miss Tarbell, who during the luncheon gave a very interesting talk on "Women at the Peace Conference." Miss Tarbell carefully explained how many women obtained their hearing at the conference, by their ability to go "straight to the point." Immediately after the luncheon Miss Tarbell was taken for a delightful drive by Mrs. C. H. Scranton, assisted by a committee. The ladies of the Neighborhood Club were introduced to their guest of honor by their president, Mrs. A. R Hunter.

Hat for Most Popular Cowboy

A sild beaver hat, valued at $150 or more will be given by the American Hat Company, of Norwalk, Connecticut, for the most popular cowboy, by points, at the 1919 Round-Up. A model of the hat will be sent here for exhibition but the article will not be made until the winner is announced and the size and style are known. Henry Pollak, president of the company, made the offer of the hat to Sol Baum while he was in Chicago.—East Oregonian.

NEW MAY PLEAD HE WAS INSANE

MURDERER OF FIANCEE IN VERY NERVOUS STATE.

Guard Is Placed In Cell to Prevent Prisoner Attempting to End His Own Life.

LOS ANGELES, July 8.—Insanity probably will be the defense of Harry S. New, who says he is the son of United States Senator New of Indiana, when he is placed on trial charged with murdering Frieda Lesser, his fiancee, at a lonely spot in Topango canyon last Friday night, his attorney, John Richardson, announced last night. Mr. Richardson declared he was confident New was not in his right mind at the time of the tragedy.

Mrs. Lulu Berger, New's mother, who says she is the divorced wife of the Indiana senator, is on her way from Indianapolis and is expected to arrive some time tomorrow.

New was in a highly nervous state in the city jail here today. A guard was placed in the cell with him, officers fearing he might attempt to take his own life.

AUTO CLUB WILL BE REORGANIZED

LOCAL MOTORISTS FINDING WORK FOR CLUB TO DO

One New Purpose Will Be Protection of Autos Against Theft and Prosecution of Offenders

La Grande's Automobile Club, which has been defunct and bankrupt for some time, is to be revived again. Interest has been rekindled in it of late and a meeting of the old members will shortly be held to set the organization on its feet. One of the chief incentives to the organization of the club is the ever-growing volume of tourist travel that passes this way. The members of the club intend making the visits of their brother motorists to La Grande as pleasant as they possibly can. There will also be established a fund of several hundred dollars which will be maintained for the express purpose of tracing down stolen cars and prosecuting parties responsible for thefts of machines.

Fire in Andrews Home

A small fire occured at the Al. Andrews residence, 1516 Adams avenue this afternoon at 3:30 o'clock, the kitchen and a small rear storeroom being considerably damaged before the firemen managed to get the flames extinguished. No one was home at the time and the blaze was noticed by neighbors. Mrs. Andrews had been spending the day at the chautauqua grounds. The origin of the fire has not been determined, but is thought to have resulted from defective wiring.

Too Deep for Him.

An Irish sailor, after pulling in 50 fathoms of line, muttered to himself: "Sure, it's as long as today and tomorrow; it's a good week's work for five men." More of it yet. "The say's mighty deep, to be sure." Then he suddenly stopped short; and, looking up to the officer on watch, he exclaimed: "Bad luck to me, sorr, if I don't believe somebody's cut off the other end of this line!"—Congregationalist.

First Post Offices in Maine.

In 1775 the first post offices in Maine were established at Kennebunk, Falmouth and Bath. The mails were carried by carriers on foot or on horseback and the average week's mail did not amount to five letters at each office. The rates were high, 6½, 12½, 18¾, 25 and 37½ cents according to the distance the letter had to be carried, and double the rate when the letter was one piece than one sheet of paper.

COMMITTEE STANDS BY PRESIDENT

(Continued from Page 1)

The minority report, signed by Representative Igoe (Mo.) Steele (Pa.), Gard, Ohio, (Dem.), Gyer, (Mo.), and Chilson, Wis., (Rep), based its objection to the enforcement bill reported out by the committee upon three principal grounds and challenged the power of congress to pass it because in refining intoxicating liquors it went beyond the original act and was therefore new legislation.

Inquire of Railroad Agents

Plan your vacation to visit one or more of them, where the days are cheerful and the nights bring refreshing sleep.

Old Ocean is a summer-time delight. Its invigorating salt-laden air and the splash of its surf temper your nerves, redden your blood, whet your appetite, restore your wasted energy, bring new vim and health.

Up in the Mountains

You get an equally beneficial phase of recreation. You leave behind the pell-mell and sordid things of daily business life.

The scenery is sublime and inspiring. Nature's great plan surrounds and charms and renews you. You can "hike," camp out, climb lofty peaks, fish numberless trouty streams and lakes, ride horseback, lounge in your hammock, rest, sleep and forget all your cares. Meanwhile you are breathing the purest air, drinking sparkling crystal-waters, eating wholesome food and being made all over new.

Can You Resist Such a Challenge!

Ask the local ticket agent to help plan your trip. He will tell you just what the fare is, and give you other helpful hints. It is the aim of the United States Railroad Administration to extend every possible aid in making vacation travel convenient and satisfying to the public.

The National Parks have all been greatly improved and were never so appealing as they are now. Beautifully illustrated booklets giving minute information of their delights and wonders have been issued by the Administration and are for free distribution. Ask your local agent for any of them.

A TRIAL WILL CONVINCE YOU.

NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.
