We are reminded that recent court and cynicism are so easily used for the purpose of distorting the truth. There is a noble reason to guard against them. Only a bird's eye view of the world, when in truth it is only growing hard and bitter. An acquaintance with mankind does not mean merely learning humanity's seamy side of being on guard against it. A wider study will bring a far different and more hopeful knowledge.

As my wife, Jessie Clemens, has left my bed and board, I will not be responsible for any debt contracted by her. WAYNE H. CLEMENS.

GRAIN and STOCK FARM WANTED

One large combination farm, or two separate farms will be considered.

I have other clients who have city and farm properties in the Willamette Valley and Walla Walla Valley to trade for properties here. Exchanges made on strictly conservative cash basis. State price and describe accurately and fully, addressing
