Enthusiam

Is the dynamic force which impels action and guarantees success.

A wide breach exists between the number of people who started to save —and those who started and continued.

If you already have a Savings Account don't let another week pass without adding to it.

If you have none, why not open one now?

Get enthusiastic over this matter of saving—sane thinking will show how vital it is to you!

MODART CORSET
Front Laced

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset.
