Summer Complaint in Children
There is no anything like so many deaths from this disease now as before Chamberlain's Colic and Diarrhoea Remedy came into such general use. When this remedy is given with castor oil as directed and proper care is taken up to that, it is safe to say that fully ninety-nine out of every hundred cases recover. Dr. W. G. Campbell of Butler, Tenn., says, "I have used Chamberlain's Colic and Diarrhoea Remedy for summer complaint in children. It is far ahead of anything I have ever used for this purpose."—Adv.

BOIL YOUR DRINKING WATER
Owing to a breakdown in the chlorinating plant and the impossibility of getting a sufficient supply of water from Beaver Creek at this time it will be necessary to pump some water for a few days from the Grande Ronde river without chlorination. It is therefore deemed best that water for drinking purposes

be boiled until the chlorine plant can be repaired.
C. J. BLACK, Water Superint. 7-10-19

Summer Complaint Quickly Relieved
About two years ago when suffering from a severe attack of summer complaint, I took Chamberlain's Colic and Diarrhoea Remedy and it relieved me almost instantly," writes Mrs. Henry Jewett, Clark Mills, N. Y. This is an excellent remedy for colic and diarrhoea and should be kept at hand by every family.—Adv.

MODART CORSETS
Front Laced

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset.
