## "I HAVE NEVER SEEN EQUAL"

"It certainly is wonderful how quickly the right medicine will get a person to feeling well again," said Mrs. Mary C. Cope, residing at 2 4 North Hicks street, Los Angeles, in a recent statement regarding the benefits she has derived from the use of Tanlac.

"I am now seventy-two years of age," continued Mrs. Cope, "and have had lots of experience with medicines, but I have never seen the equal of Tanlac. Why, since it has helped me so much I just tell everyone that needs medicine about it and so many out here in my neighborhood are taking it that we have a regular Tanlac colony.

"During the past six years I have had lots of trouble with my stomach. I could not eat anything without bloating all up with gas and feeling miserable. I was also troubled with this gas at night until I couldn't sleep or rest. I was very nervous, and so rundown and weak that I just felt badly all the time.

"I had read a good deal how Tanlac had helped in cases like mine and going on the idea that, 'What's good for one is good for another,' I tried it, and it certainly has proven to be the right thing for me. I have only taken four bottles so far, but I am feeling as good already as I ever did. My stomach is in fine condition, no gas forms, and I can eat what I want and enjoy it, and that tired, nervous feeling has all left me, too. I sleep soundly every night and feel strong and well all the time. Tanlac has acted with me just like the person whose testimonial I read in the paper that caused me to take it said it did with her. I am glad to recommend such a medicine and hope my statement will cause others to find relief."

Tanlac is sold in La Grande by Silverthorn and Richardson Drug Stores; in Union by L. A. Wright; in North Powder by L. A. Russell and in Elgin by Scott E. Harris and in Telocaset by Telocaset Grocery Co."—Adv.

### MINING BOOM.

Daniel Boyd, attorney, rancher, banker and politician of Enterprise, is registered at the Imperial. Mr. Boyd brings a glowing account of Wallowa county prosperity, but especially does he insist that there is about to be some mining excitement in that vicinity.—Oregon Journal.

## "SILK-LINED BURGLAR" IS THRILLING DRAMA

### Priscilla Dean Featured in a "Boston Blackie" Story

"The Silk-Lined Burglar," starring Priscilla Dean, which will be shown Saturday and Sunday at the Star theatre, is one of those swiftly-moving "crook" plays which open with a bang and go with a zip. In the opening scene an advertisement for a "thoroughly efficient safe-blower, who is used to taking risks" is shown, and the expectations thus aroused are never disappointed.

The story is based on one of the Boston Blackie stories by Jack Boyle which appeared in the Red Book Magazine. It deals with the girl's determination to aid her sweetheart a United States Secret Service agent, whose professional career is threatened with ruin unless he can get the contents of a certain safe. His official position prevents him from taking the most direct means of accomplishing this, but his sweetheart Doris Macon, is under no restriction.

Doris, played by Miss Dean, hires "Boston Blackie" to go with her and blow the safe. They are surprised by the unexpected return of the owner and fights, fights and surprises follow each other in rapid order. The play moves with ever-increasing speed to an entirely unexpected climax.

In "The Silk-Lined Burglar," Miss Dean adds further to the record she made in "The Brazen Beauty," "The Wild Cat of Paris," and her other recent Universal successes. Associated with her are Ashton Dearholt, Sam De Grasse, Sam Appel, Fred Kelsey and Lillian West. The direction is by Jack Dillon, and many of the settings are elaborate, including one representing the interior of a famous Broadway cabaret.

Mr. Rush erected the new high school building at North Powder.—Oregon Journal.

## LUTHERAN COLLEGE TO BE TRANSFERRED IN NEBRASKA

FREEMONT, Neb., July 17.—Midland college of Atchison, Kan., will be transferred to Fremont and will open sessions here in September.

Announcement to this effect was made following a meeting Wednesday night of trustees of the college from Iowa, Kansas, Colorado and Nebraska. The meeting was held to canvass results of a campaign by Fremont and other Nebraska Lutherans to raise funds for the transfer.

### Loss of Appetite

As a general rule there is nothing serious about a loss of appetite, and if you skip a meal or only eat two meals a day for a few days you will soon have a relish for your meals when meal time comes. Bear in mind that at least five hours should always elapse between meals so as to give the food ample time to digest and the stomach a period of rest before a second meal is taken. Then if you eat no more than you crave and take a reasonable amount of exercise every day you will not need to worry about your appetite. When the loss of appetite is caused by constipation as is often the case, that should be corrected at once. A dose of Chamberlain's Tablets will do it.—Adv.
