## BETTER THAN ALL OF THE REST.

This Is What Farmer Says of Tanlac  
—Gains Fifteen Pounds—Had Suffered 25 Years

"You may know that Tanlac is doing me a lot of good or, I wouldn't have come nearly twenty miles to get these three bottles I am buying now," said Samuel Bacon, a well known and prosperous farmer who lives at Borin, Oregon, while in the Owl Drug Store in Portland the other day.

"I have been trying for twenty-five long years to find a medicine or treatment that would overcome my troubles," he continued, "and Tanlac is the only thing that has ever done me any good at all. During all these years I suffered terribly from rheumatism in my back, and there were times when I was in such bad condition that I couldn't turn over in bed, and after sitting down for a little while I would hardly get up again. My kidneys bothered me a great deal, too, and I would often have to get up four or five times during the night, and the pain in my back was so severe that I rarely ever got any sleep. My appetite was very poor, and what little I did force myself to eat would give me indigestion in the worst way. I lost a lot in weight and finally got so weak and run down that I could hardly walk or stand on my feet.

"Then I heard about Tanlac through my daughter who had been greatly benefited by taking it. In fact, she was so pleased with Tanlac that she bought me a bottle of it and told me that she thought it was the very thing I needed. Well, sir, I began to feel stronger and better in every way before I had finished that first bottle. I have taken three bottles so far, and I get so much that I actually get ashamed of myself sometimes. What I eat agrees with me, too, and I never have a sign of indigestion now. I have gained fifteen pounds in weight, and feel like a different man altogether. The pains have left my back, and my kidneys seem to be in first class condition, and I never have to get up during the night any more. I am also free from rheumatism and in fact, I feel better in every way than I have for many years. I tell you, this Tanlac is a good medicine, and has done me more good than all the rest of the medicine put together I have taken during the last twenty-five years, and I think that is saying a good deal."

Tanlac is sold in La Grande by Silverthorn and Richardson Drug Store; in Union by L. A. Wright; in North Powder by L. A. Russell; and in Elgin by Scott E. Harris; and in Telocast by Telocast Grocery Co.—Adv.

### LEAGUE SECRETARY IS WELL HOSTED

LONDON, July 22.—Sir Eric Drummond, the first Secretary-General of the League of Nations, is a man in the early forties, of about middle height, with deep, rather humorous eyes and fine features. He is exceedingly witty, a most excellent companion and an sparkle at a dinner party as effectively as he can draft a clause of treaty.

Sir Eric is said to possess an astonishingly complete knowledge of the United States and for some years was a recognized authority in the Foreign office to be consulted on American affairs. He is said to have a gift for international politics that has earned his country well in several crises.

Small Daily Task.  
Nothing surely is so potent as a lax that may not be discharged. It has the force of the water-drop that follows the stone. A small daily task, if it is really daily, will beat the labors of a spasmodic Hercules.—Anthony Trollope.

### ROBERT HARRON IS COUNTRY BOY IN GRIFFITH'S PICTURE

Noted Player Leading Man In New Photoplay "A Romance of Happy Valley"

Robert Harron has shed a uniform and donned denim for the reel of the cross-roads again in David W. Griffith's second Artercraft production, "A Romance of Happy Valley" which will be shown at the Arcade theatre Friday and Saturday.

A fastidious lodger at his father's boarding house tells him fascinating stories of how men make as much as \$25 a week in New York City. Weeks that stubbornly cling to their birthplace and a peevish plow convinces him that New York is the place where he belongs. His quick-tempered daddy vetoes the idea, but as John Logan Jr., Mr. Harron runs away in the night. He becomes a struggling inventor in New York, baffled by a toy frog that will not jump. And he stays away much longer than he told Jennie Timberlake he would before he returned to Happy Valley, and he had asked her to wait for him.

But in the end he made more than \$25 a week, so much more that he could return home at an opportune and critical time. For that home-
