 NOT ABLE TO ATTEND

Imbler Soldier Receives Invitation, But Is Still Watching an Rhine.

The following letter from a well known young man of this county, explains itself:

Altweid, Germany, July 6, 1919.—Friends of Imbler: In reply to my invitation from you to attend the party, held in honor of the returned soldiers of Imbler, on June 7, '19, will state that I was highly pleased with same, in spite of the fact that it was some few weeks late in arrival; and I sincerely hope the party was a success. I am fine and dandy at present and am still holding down the watch on the Rhine, and now that the thing is all over and peace has been signed, I hope to in the near future make my debut back with the old friends of Imbler. Yours, with best regards, HEBER W. CONRAD, 5th Regt. U. S. Marines, A. E. F.

MODART CORSETS
 Front Laced

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a true fitting of the MODART front laced corset.

THE REASON WHY.

Nine-tenths of the La Grande people who patronize local ice cream parlors on the afternoons and evenings of these hot and sultry days can tell you the reason why they always go for their refreshment to Cain & Carther's Palace Confectionery. We can tell you, too, because they have told us. It is because they are able to get now, for the first time in La Grande, really good ice cream and chocolate that is made "at home" in the shop that sells them. If you are one of the "one-tenth" class, you will tell us so, also, after you have paid a visit to our refreshment parlor.

We also want to tell you about the high quality line of home-made candies we are carrying. Our candies are made by Mr. Marvin Channer, who has a reputation as one of the best candy makers in the whole country. He has been with us but a short time, but we are realizing already a most pleasing increase in the volume of our candy business.

Come in any afternoon or evening and enjoy yourself with us for awhile. You will be pleased with our service, and you will want to come again.

We can give you almost anything the hot and thirsty one desires these days.
