many surprises which is added to the fragrant romance that unfolds as the play proceeds. It is a dominant story of thrilling life-pulsing with deep emotions. Also a comedy.

EVERYBODY IS TALKING ABOUT DOROTHY GISH
Dainty Actress Who Will Be Seen Here in "Batling Jane" is Most Popular.

"The Lion's Den," adapted from the Saturday Evening Post story by Fredrick Brin Bartlett, author of Bert Lytell's greatest success, "The Spender," presents an idea of powerful appeal taken from the efforts of a young clergyman to save the boys of his congregation from the evils of the street and pool rooms. He plans to build a club which will give these boys healthy recreation and interest, but he lacks the means to accomplish his ends. He is refused aid by the wealthy members of the community but his determination is so strong that he leaves "the lion's den of romance," to achieve his purpose. How he succeeds, and in the midst of surviving those who have staid and almost ruined him, and the amazing outcome of the incident, provides a play of

Dorothy Gish, whose first Paramount starring vehicle, "Batling Jane," will be shown at the Arena Theatre today, is the most talked of picture personality in the United States today. Her work in "The Little Disturber" in "Hearts of the World" has drawn for her hundreds of columns of notices, and has made it impossible for her to handle her mail without the aid of a secretary.

But twenty-one years of age, Miss Dorothy has been in motion pictures for seven years, beginning with the old Biograph in the days when David W. Griffith was the director-in-chief. She has never left Mr. Griffith, except for two or three small productions under his supervisory direction before he began the work of bigger features. "The Hun Within," an admirable

with a story that is not worth her best effort. She is splendidly supported.

Keeping Cider Sweet.
To keep cider sweet during the hot weather, it is best to keep it in a cool place. It should be first settled and racked off from the dregs, but fermentation must not be allowed to commence before racking as it will not keep.

WANT TO DO IT
HACHOLAH'S TURN THE TUCK
PERRY, O., July 25.—(Special.)—Another "tuck" ball game at Perry was played last evening and the people turned out in masses to witness the married men really put it over on the boys. But this game from the standpoint of baseball was very much of a fiasco. The crowd that had packed the ballpark for the game, had the baseballers have demonstrated beyond a doubt in the exhibition of Perry ball game that they also playing to the "big" game was finished instead of being baseball games. The final score was 18 to 11 in favor of the boys. Now for the shattering, and the agonies which the spectators were compelled to endure. There is how the erstwhile stars failed to deliver according to previous reputation. Wizard Hanson who was counted as a sure batter for the former name, had lost his "zip" and was relegated to the outfield near the ladies' grandstand and as an outfielder he was a complete fiasco. An argument took place back of the backstop as to whether he was wearing shin protectors or not. George Dixon and Fred Robinson had the argument and it was finally found out that he had on a pair of leather jack's heavy woolen socks. The proximity of the ladies and the fact that he had no soap net made his fielding a failure. Ty Cobb's valentine failed to live up to his former star record, but his excess was that the wind had blown sand into his eyes. The fact of the case is that the pitching of Don Matoff was too fast and confusing for the batters and they went down to defeat amid the jeers of a disappointed and disgusted crowd. A tackle's new hat had been blown away owing to the stiff breeze but the fans had their full quota of of sideline sport in listening to the wind whistles near to La Beau's bare dome and seeing Glad jump around like a chicken with his head off. The third and final home is scheduled for next Tuesday evening and from present indications we suppose that infield acts will be at a minimum.

Highway Surveys Begun.
Surveying of the Pondleton-Cahoon Hill section of the Eastern Oregon highway was started Saturday, with Engineer D. G. Glass in charge of the locating crew. This is the last gap to be filled between Pondleton and the Union county line. The distance is between nine and 10

and from three to four miles will be required to complete the survey.

Good progress is being made with the grading on the highway from Cahoon Hill towards the Union county line. From 6:30 a. m. to 7:30 p. m. employed on the work and more being added. They are working in three camps.
