

SHIPYARD MAN IS PRAISING IT

Seattle Worker Says Tansac Strengthened Him Up and Added Six Pounds to His Weight.

"Since taking Tansac I have not only gotten complete relief from my trouble, but have actually gained six pounds in weight, so you may know by this why I am so enthusiastic over this medicine," said Louis Vognauld, of 1127 West 64th street, Seattle, Washington, while in Bartlett's Drug Store recently. Mr. Vognauld has lived in Seattle for the past twelve years and is employed at the Skinner and Eddy shipyards.

"About two years ago I began to have trouble with my stomach," continued Mr. Vognauld. "Up to that time I had always been perfectly healthy and could eat just anything that was put before me, so when this trouble first began to come on me I didn't pay much attention to it, because it didn't seem to affect my appetite any, for I would get hungry the same as usual, but I soon found out that things I had eaten all my life and which had never hurt me before began to disagree with me. What I would eat commenced to sour in my stomach and after a meal I would have a miserable full, tight feeling that would make me feel mighty uncomfortable and I would fill up with gas so badly that sometimes I would feel like I could hardly stand it, and I was troubled a lot with a very disagreeable taste in my mouth. This kept getting worse and worse all the time till I got in such shape that it looked like everything I would eat would just seem to lie in my stomach in a heavy lump and I would be in misery for hours afterwards. Then it began to affect my sleep and it got so that if I would even eat just a very light supper I would be awake for hours after I went to bed, suffering terribly with gas and that full feeling in my stomach and this kept up till I got so little rest that when I would get up in the morning I would feel as tired as when I went to bed and it would take a lot of will power for me to pull myself together so that I could get off to work.

"I had heard Tansac recommended very highly by some of the boys in the shipyards, so I made up my mind to give it a trial and it certainly has strengthened me up completely. My appetite is fine now and I can eat just anything I want and I never suffer a bit with that gas or full feeling in my stomach and have already gotten back my old time health and strength. I can eat the biggest kind of a supper now and go to bed and sleep like a log till morning and I get up feeling fine and hungry for breakfast and ready for work. Right now I feel as strong and well as I ever felt in my whole life and am mighty glad to recommend Tansac, because I know by actual experience what it will do for a person."

Tansac is sold in La Grande by S.H. Verthorn and Richardson Drug Store; in Union by L. A. Wright, in North Powder by L. A. Russell and in Elkin by Snet E. Harris and in Telocmet by Telocmet Grocery Co.—Adv.
