

FAST TEAM WILL PLAY ENTERPRISE

LOCALS HAVE STRONG LINEUP FOR GAME TODAY.

Visitors Are Expected to Arrive at Noon by Special Train—Game Will Start at 3 o'clock.

What is probably the strongest line-up which Manager Scanton of the Union County Ad Club team has presented against the Enterprise aggregation on the local grounds at three o'clock this afternoon. La Grande took the measure of the Enterprise boys in a game in their home town last Sunday and expect to meet a strong attack against their laurels here today.

The Enterprise players, it is understood, will be accompanied by large numbers of enthusiasts from their home town and district and they will all arrive by special train at noon today. Arrangements have been made at this end to meet the visitors with the O-W. band and make them very much at home until they are led to the proposed slaughter at the old fair grounds.

Manager Scanton will use Billy Workman behind the bat again today, to receive Ray Alexander's fast ones. Alexander, the Cove speed artist, who is finishing the season with La Grande, can travel fast enough to get on in the coast league, should he so desire, and with him on the mound for them the locals do not fear any combination can be brought up here against them. Raymond Garrity and his brother, Clarence, both well known boys, will exercise around first and second respectively, and Crippen will hold down third. Foster at shortstop is expected to show real class. The fastest sprinter at the U. O. this young gentleman makes a surprising showing on the paths, besides covering all the territory allotted to him, and more, around short. In the outfield will be Roy Alexander, Clark and Hickey, all good men. "Hec" McGinnis, the old reliable, will not be far away at any time and will be ready to pull his sweater off his arm at a moment's notice and go in to the game, should the need develop. McGinnis has been playing ball a long time in and around La

Grande and the game goes much to him here. Always a good player and clean one, he has been popular with the fans and while he likes to see the youngsters go after the victories now, he still gives a mighty good account of himself when he works. It is possible that he may get a chance this afternoon.

Sixteen Wyoming cowpunchers, attracted by increased games offered by the Round-Up management for the first after-war show, will accompany McCarty here. In the party are buckers, trick riders, trick ropers,

LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.
