A TRIAL WILL CONVINCE YOU.

NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.

"Here's a Friendly Tip" says the Good Judge

Men who know tobacco, chew the best without its costing them any more. They take a little chew and it's amazing how the good taste stays in a rich, high grade chewing tobacco. For lasting tobacco satisfaction, there's nothing like a small chew of that rich-tasting tobacco.

Try our rival's product, too!

Among all products there is invariably one that towers above the general mass. Among cereal beverages the pinnacle product, we feel, is RAINIER SPECIAL. You may or may not agree that this is so. The clamorous appeal for your patronage made in behalf of the numerous meritorious rival cereal beverages may have caused you to lose sight of the notably superior qualities of RAINIER SPECIAL. So we urge comparisons that the relative merits of each brand of cereal beverage might impartially be determined. We urge that the offering of any other manufacturer of cereal beverage be purchased and tested side by side with RAINIER SPECIAL. Such a test should banish all uncertainty of superiority and mark for once and all which product is best. In advocating a test of this nature it would be manifestly unfair to point out a single one of the favorable qualities of our own product. Our contention is that it should be accorded no advantage whatsoever. Our plea is to let each cereal beverage make its own uninfluenced appeal for your favor. Such a test is fair. If the result of such a test indicates that RAINIER SPECIAL is the superior of all other cereal beverages, we feel that in fairness to yourself you should always call for it. If the result of the test is unfavorable to RAINIER SPECIAL you will know it is a cereal beverage to avoid. For the sake of being informed you should make the comparisons we advocate. Today is a good day to do it. Practically every grocery, drug store, fountain and soft drink parlor carries RAINIER SPECIAL and several other brands of cereal beverage. ***
