"SERVICE IS THE THING."

done him, and advised me to give it a trial. Well, sir, I never saw anything equal the way Tanlac got after that rheumatism, and in little or no time the aching was all gone from my hands and feet, and I never have any sign of that awful trouble. The pains in my back are gone, too, and my kidneys seem to be in perfect condition. I don't have to lie awake and suffer agonies every night now, but I just stretch out in bed and sleep like a boy all night long. I have gained a lot in weight and strength, and in fact, I was never in better health in my life. Am back on the job, and never lose any time at all from my work. So you see Tanlac has proved to be a real medicine in my case, and as long as I live I will boost it as strong as I can."

Tanlac is sold in La Grande by Silverthorn & Richardson Drug Store; in Union, by L. A. Wright; in North Powder, by L. A. Russell; in Elgin, by Scott E. Harris, and in Tolocaset, by Tolocaset Grocery Co.—Adv.

CLOWNS WITH THE COMING HAGENBECK-WALLACE CIRCUS

The modern clown is a paradox. He is the same as in the days of Dan Rice, away back in the last century, and yet he is a different clown. The same in that he paints his face in vermilion and white and adheres to the time-honored, ridiculous pattern in his dress; different because his work today is practically all pantomime, whereas that of the ancient clown used to be composed of singing, reciting and telling jokes, at which time no other act worked in the big show.

The change in the clown's method is the logical result of shifting conditions in the circus world. In other days when one ring sufficed, the tent necessarily was small, a fact which permitted the clown to be distinctly heard from any point under the canvas. At that time, one act was quite enough for such a limited audience. The clown being obliged to contribute his share to the programme, hit upon the pleasing and successful idea of singing, joking and reciting.

There are more than 50 clowns with Hagenbeck-Wallace circus. There are clowns with one, two and three humps—there are clowns who impersonate policemen, prizefighters, baseball players, farmers, etc. The Hagenbeck-Wallace circus will give two performances in La Grande on Tuesday, August 26. Adv.

An Old Fault Finder.

An irritable and fault finding disposition is often caused by indigestion. A man with good digestion and bowels that act regularly is usually good natured. When troubled with indigestion or constipation take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels. Adv.

State News

The new building, at Fourth and Oak streets, Portland, has been purchased by Robert N. Stanfield, the Eastern Oregon sheep king, from Chas. K. Henry. The building is five stories high, occupies 199 feet on each street, and is faced with white-enameled brick. The property has a valuation of \$250,000.

The city council of Cottage Grove has instructed the library committee to rebuild the Moore's library which was destroyed by fire July 29. The book walls are standing and will be used. The estimated cost is \$2100.

Deputy Secretary of State Sam A. Koser has on file the names of the 26 soldiers, sailors and marines who have applied to the executive heads of seven different educational institutions of the state to take courses of study under the educational aid enactment for service men.

WAS IN BED THREE MONTHS

CONTRACTOR CURTIS WORKS EVERY DAY NOW. SINCE TAKING TANLAC—RHEUMATISM IS ALL GONE.

"My wonderful improvement since taking Tanlac is the talk of all my friends and acquaintances," said W. E. Curtis, a well known painting and decorating contractor who lives at 812

West Grace Ave., Spokane, a few days ago.

"Up to the time I commenced taking Tanlac," continued Mr. Curtis, "I had not been able to do any work for about six months, and at one time my folks had given me up to die. My kidneys were in terrible condition, and nobody will ever know how I suffered from the pains in the small of my back. That wasn't all that was wrong with me, either, for I had rheumatism in my hands and feet, and it just seemed that the awful aching pains I had on this account would kill me. I was down and out, all right, and I had no idea that I would ever be a well man again.

"A friend of mine, an insurance man, came out to see me one day, and he told me how much good Tanlac had
