**The Love of Good Music**

Is the sign of culture, and in this day and age it is possible for every one to enjoy it. Even if you are not a performer yourself, you do not need to be without it.

BECAUSE, the Brunswick phonograph, which plays all records at their best, will bring into your home the world's greatest artists, both vocal and instrumental.

There are just two things which make the Brunswick the phonograph Supreme: First, the patented double ultona, the reproducing device which enables you to play all makes of records without the use of any special attachments; Second, the scientifically constructed wood sounding horn, which does away with all metallic harshness and makes reproduction rich and natural.

Stop in and have a demonstration of this wonderful machine, and remember that you can arrange any reasonable terms of payment, at
