BUCKHECHT SHOES

—on ARMY (Munson) and other Lasts

Men are paying more attention to value nowadays than ever before. They want real value and good style—but they want it at a sane, sensible price.

And how well BUCKHECHT Shoes fit this standard! Despite the growing scarcity of good leather—despite the steadily mounting cost of labor and manufacture—we have adhered to our policy of putting into every

BUCKHECHT Shoe only top-grade materials and top-notch workmanship. The net result is that, in spite of rising costs, you can still get comfort and wear and service in a shoe at a reasonable price.

Small wonder, then, that men who know how to measure true value have found that their shoe-dollars go further in BUCKHECHT Shoes.

At principal dealers in the West or—if your dealer is not supplied—send us his name and order direct.

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset.
