Immunity Bath—In criminal trials, "immunity bath" means exemption from prosecution. The expression was first used several years ago, when several defendants in a trust case were discharged by the United States court on the ground that they had gained personal immunity by furnishing the evidence upon which the indictments were based.

Rainy Day and Business—Someone figured that a rainy day cost New York an unprecise amount of money. Women, he explained, disburse 85 per cent of the money earned by men.

Washing Machines—Many women oil their own machines frequently and carefully, as they should, but they forget to put a big drop of oil once a month in each end of the treadle.

Oiling Machines—Many women oil their own machines frequently and carefully, as they should, but they forget to put a big drop of oil once a month in each end of the treadle.
