An Old Fault Finder.
 An irritable and fault finding disposition is often caused by indigestion. A man with good digestion and bowels that act regularly is usually good natured. When troubled with indigestion or constipation take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels. Adv.

NEW SCHOOL BOOKS IN OREGON.

All people having children of school age will be interested in school books. As usual, the school book concerns are placing the distribution of these new books through the school book dealers in all Oregon towns and cities. These books are owned, and the prices

controlled by the book manufacturer and will be sold only for cash. persons having second hand books they have been using in Ore. may exchange them for new books and pay the difference. We notice Silverthorn's Drug Store a large set of these new books, and each book now being marked with the price adopted by the state of Oregon, the price of the old book that may be turned in exchange, so that each customer wanting school book may at a glance what they will cost. I may state that the prices for all new school books adopted will be no more than the old prices, though all material is costing the maker of books much more than before the war price. 8-21-19
