HOW MUCH A BOY CAN EAT

of bread and butter you can easily learn by making your next "batch" with our flour. When the boy comes in hungry give him a slice of the new bread. Take our word for it, he'll keep you busy cutting more slices. And bread and butter are the best foods a growing child can eat.

"LOOKS JUST LIKE NEW"

Vulcanizing, like cobbling, depends for its success upon the skill of the operator not upon the materials used. A poor rubber-maker and a bungling vulcanizer can spoil good materials. We absolute guarantee first class work and will turn out a vulcanized tire just like new. We have never yet spoiled a "batch."

All the children attending school must be supplied with new books this year as most all of the old books are to be replaced with a more up-to-date series. At Silverthorn's Family Drug Store you will find a large stock of the new books. Your old books may be exchanged for new ones by paying the difference on such exchange. We notice a large stock of new tables with beautiful covers. A nicer lot than usual.

The books this year are owned by the book concerns and they offer them for sale only through their agents, the La Grande dealers, of which Silverthorn's Family Drug Store are one. They will have plenty of help to wait on all promptly.
