Local Store Broken Into

Some time last night The Hub store was broken into and between \$15 and \$20 taken from the cash register. The thief broke a panel of the back door, thus allowing him to turn the key and also to lift the bar which was against the door. The cash register was unlocked, so the culprit got away with the money without breaking open the register. It is also believed that he outfitted himself with a suit of clothes, but no trace of his clothes could be found anywhere today.

Light Rainfall at Cove

Chris Stackland, of Cove, brings the unwelcome report that the people on his side of the valley are slightly peeved on account of the fact that the last rain did not spread far enough to more than merely touch Cove. This is too bad and is regretted here as well as there, because the whole country has been dry enough to go into mourning. Chris came over to meet his brother, Gearhart, who arrived today from an absence of a month in Portland.

Dr. Mossman Resigns Presidency

At the regular meeting of the Community Chorus yesterday evening, Dr. Mossman, who has been president of the organization since the beginning, resigned that official position. The doctor's resignation is due solely to the demands of private matters. Mr. L. J. French was unanimously chosen to succeed Dr. Mossman as president.

County School Contracts Not In

Out of the 160 or more contracts necessary for the teachers in the county schools, only 64 of them have been filed at the county school superintendent's office. This delay has caused much trouble in the county superintendent's office, for in some cases they have no idea of who the teachers are in certain districts.

Kansas People Here

Mr. and Mrs. Will Beckwith, of Leavenworth, Kansas, passed through the city today on No. 6 for Salt Lake, Utah, where Mr. Beckwith is contemplating establishing an agency for the Jones Automobile Company, of which he is manager. First Safety Bicycles

The first of the safety bicycles was put on the market in 1880. In this the high front wheel was reduced and the rear wheel was about two-thirds the height of the front one. The machines with wheels of the same size appeared in 1885. Bicycling began to be popular about 1891, and the "craze" reached its height about 1895, when wheels had become low enough in price to be within the means of the multitude.

Really a Cut Price

Charles had just been vaccinated, and as a reward for his bravery the doctor gave him a quarter. "Thank you for the quarter," said Charles, winking back his tears, "but it was worth a dollar."

Most Valuable Plant

No plant renders man greater service than does the wheat, because it supplies to the greater part—and the better part, too—of the western world its staff of life. From wheat the leading nations of the earth obtain their bread.

MODART CORSETS

Front Laced

WHY LOOK OLDER THAN YOU ARE?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have, and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset.

"LOOKS JUST LIKE NEW"

Vulcanizing, like cobbling, depends for its success upon the skill of the operator, not upon the materials used. A poor hoo-maker and a bungling vulcanizer can spoil good materials. We absolutely guarantee first class work and will turn out a vulcanized tire "just like new." We have never yet spoiled a "shoe."
