Satisfaction in Doing Right

Imagination is the father and mother of trouble when we let it run loose in a time of stress. But in the end the will and the heart are what determine our fate. After all, when we do right we have some satisfaction even if we suffer. But if we do nothing but drift along we have not even the satisfaction of knowing we deserve to come out right.

THE GREAT MAJESTIC

The Range With a Reputation

THE GREAT MAJESTIC

To You, who are considering the purchase of a new range, we offer a few suggestions: First of all BUY A REAL RANGE! Don't economize too closely on the purchase price. Economy is not merely spending the least money; buying a range at too low a price is indeed false economy.

And Above All—thoroughly examine the range you buy. A range bought from printed description may be "exactly as represented," and yet not what you thought—you may be "getting your money's worth" and yet make a bad investment. A little more Now pays Dividends Later.

—You are requested to visit our store during our MAJESTIC BARGAIN WEEK and see the many superior features of this wonderful range; its supremacy in baking, water heating, fuel saving and lasting qualities. You must see the new smooth finish models, the last word in beauty and labor saving.

ONE WEEK ONLY—SEPTEMBER 15th to 20th

THE BARGAIN—
During this Bargain Week only, we will give free with each Majestic Range sold, a handsome set of cooking ware.

Heating Stoves to Keep You Warm

You must have a heater to keep warm this winter, in fact you need it now to be comfortable these cool mornings and evenings.

We have a fine line of heaters this year which burn either coal or wood—one as well as the other—and which you can pay for in small, convenient installments.

A few of these stoves were damaged in shipping and the damage adjusted with the railroad company. Their loss is your gain as we are prepared to offer you a liberal discount on these damaged stoves, while they last. The first to come will be the first served.

Buy your stove from us and pay for it while you use it
