Direct Marketing

The large packer represents the most direct route possible from farmer to retailer.

Large volume of business makes this possible. The public should be glad that there are large packers for this reason if for no other.

We buy live stock in the stockyards in the West.

We put them through packing houses.

We ship in clean refrigerator cars.

We sell through 400 branch houses located in all large consuming centers.

All done at a minimum of expense and a fraction of a cent per pound profit from all sources.

And it's only because we are big that we can give this service.

Let us send you a Swift "Dollar." It will interest you. Address Swift & Company, Union Stock Yards, Chicago, Ill.

"FULL MEASURE" VULCANIZING—

What we mean is, that when we vulcanize a used tire for you, we do not skimp on the new rubber or materials used but actually rebuild the worn parts of the shoe. We "re-sole" and re-heal and re-shape the tread and the whole casing, just as a shoemaker does to an old shoe. And our work is just as durable.
