SENTIMENT AND SHOOTING

"Go Get 'Em Garringer" which will be shown at the Sherry theatre today only, is a story of strongly organized border bandits of the West, of a sweet girl ensnared in their web of infamy; of a two-fisted, quick-shooting he-man, who revelled in the sport of hunting down the criminals. It is a regular Western drama of the "wild woolly days," with occasional flashes of good comedy and the tender glow of beautiful sentiment. Helene Okadwick, talented as she is beautiful, who recently became leading woman for Douglas Fairbanks in the heretofore and, in this role, shows an emotional strength which lifts the picture away out of the ordinary. Franklyn Farnum, one of the pop-

ular heroes of the screen, plays the part of Garringer, who, acting for the Land Reclamation Company, runs down the outlaws who are terrorizing the workmen of the big corporation, and, incidentally, runs in to the heart of the beautiful Western girl. Garringer did "get 'em." And the girl, too. And, while he was getting, his pace was fast and furious with occasional pauses for comedy and sentiment, which stand out charmingly against the crude border background. The work of both Miss Chadwick and Mr. Farnum make this strenuous Western story a first-class entertainment. A comedy and Pathé weekly round out the bill.

"THE LITTLE WIDOW" AT THE ARCADE

A Paramount-Mack Bennett comedy filled with the choice things that show lovers enjoy. Myrtle Lind has two suitors who are intensely funny, but a stenographer, a dog and a baby enter the scenes to complicate matters. On the same program will be pro-

duced Fred Stone in his new art craft picture, "Johnny Get Your Gun."

PAULINE FREDERICK AT THE STAR

Saturday and Sunday Pauline Frederick will appear at the Star Theatre in "The Eternal City," one of the Hall Caine's most beautiful productions. It is undoubtedly one of the best plays ever filmed for it carries a good lesson, an appeal to the better self and makes all have a desire to know their Maker better.

Famous Minstrels Coming

Probably certain people have forgotten that they are minstrel fans because it has been so long since they had an opportunity to see a really first class minstrel aggregation—however the minstrel microphone will get them when the Harvey Greater Minstrels make their flashy dress parade over our main streets, announcing their appearance at the Arcade theatre Monday, September 22.

"Questionable amusements" at one time was a common theme for debate, but the subject was never associated with the minstrels for never since the history of the human race started has the form of minstrel entertainment been questioned. The base ball game, the circus and the minstrel are three forms of innocent amusement which are patronized by tens of thousands of people who hold aloof from other attractions.

LADY SUGGESTS

ADVICE TAKEN
"My sister-in-law is a doctor and she told me of several bad stomach and liver cases which were cured by taking May's Wonderful Remedy and advised me to try it. I had numerous bad attacks due to bloating and had almost constant pain in my stomach before getting your remedy. I am feeling fine now." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.
