SAYS SHE THREW HER MONEY AWAY

Mrs. Parker Spent Hundreds Seeking Health—Tanlac Restores Her

"My troubles have been completely overcome since I commenced taking Tanlac, and I am expecting better health in every way than I have for over twenty years," said Mrs. M. Parker, who lives at 424 East Third Street, Los Angeles, Cal., the other day.

"During that time," continued Mrs. Parker, "I have suffered almost all the ailments and misery that I ever heard of, and I was for many years a victim of indigestion and constipation. I was practically an invalid for twenty years, and all my troubles were caused from the awful conditions of my stomach. A great part of the time I was confined to my bed, as I was too weak and run down to get up. When I did get up dizziness would come, and I would reel for horrible spells just standing after arising. Then, too, I often had severe pains in my back and sides that were almost unbearable. I was just miserable like death in every way, and I grew frightful for it all."

Tanlac is sold in La Grande by Sutherlin Drug store; in Union, by L. A. Wright; in North Powder, by L. Russell; in Elgin by Scott E. Harris, and in Telocaset, by Telocaset Grocery Co.—Adv.

H. KRAUENBERG IN ACCIDENT

(Continued from Page 1)

rable, was whirled around with great force when the iron turned. The wrench struck Mr. Krauenberg a glancing blow on the face, cutting a gash on his forehead and one near the right eye, besides bruising his jaw and loosening one or two teeth. The end of the wrench cut a hole in his hat rim. The man was knocked down by the force of the blow. He was taken to La Grande for medical attention and is rapidly recovering from the effects of the accident. It was very fortunate that the blow was a glancing one for if the tool had struck a square blow or had hit an inch or two farther back on his temple the injured man might not have escaped without serious injury.
