RAILROAD MAN GAINS 19 POUNDS

Engelmann Was in Failing Health for a Year—Is Well and Strong Now.

"Yes, sir, I certainly can recommend Tanlac, for it set me right several months ago and I've enjoyed the best of health ever since," said Dominick Engelmann, a car repairer for the Salt Lake railroad, living at 3815 South Woodlawn street, Los Angeles, California, in a statement at the Owl drug store, recently.

"About a year ago," he continued, "I began suffering from indigestion and going down hill rapidly. I could

not do anything but what would blast me all up with gas and there was the worst kind of a pain in my stomach at the time. I finally got to where about all I dared to eat was malted milk and crackers and even this caused me pain. I was badly constipated, lost weight all the time and got so weak that I could hardly keep up with my work.

"You may know there was something radically wrong with me when I tell you I had dropped down in weight from 168 pounds to 139. I just tried everything I could hear of but got no relief until one day I read a Tanlac testimonial that described my case to a T. So I at once got a bottle of this medicine and the third day there was a remarkable change in my feelings. Then, of course, I kept on taking it and after using five bottles I had picked up 19 pounds and balanced the scales at my old weight, 168 pounds. That was four months ago and I have been eating just anything I want ever since and have never had the least trouble with my stomach. In fact, I never have an ache or a pain of any kind and am feeling as strong and well as I ever did. I believe Tanlac is the best medicine ever sold in a drug store for any sort of stomach trouble."

TANLAC is sold in Silverthorn & Richardson's and others.

Tanlac is sold in La Grande by Silverthorn drug store; in Union, by L. A. Wright; in North Powder, by L. Russell; in Elgin by Scott E. Harris, and in Teloaset, by Telocast Grocery Co.—Adv.
