ETHEL CLAYTON IN SPLendid MYSTERY PICTURE "VICKY VAN"

Paragon Star Seen to Great Advantage in Dramatic New Picture

Ethel Clayton displays her unusual versatility in her new picture "Vicky Van" which will be shown at the Arcade theatre this evening only.

The story concerns a girl who marries a man old enough to be her father. She is unhappy, and when she inherits wealth in her own right, reveals the fact and secures an adjoining residence to which she arranges a secret entrance from her original home. She goes there whenever her husband is away and in disguise poses as Vicky Van, a delightful hostess to a gay Bohemian set. Later her husband discovers the deception and does a young man who has become interested in the unhappy young wife.

The husband chokes her in his rage. Later he is found dead. May be suspected, and then Stone enters, solves the mystery of the dual character. The two young people find their happiness together.

Talk about adventures!

Men in the Navy come home with the kind of experiences that most chaps read of only in the books.

Here's your chance!

Uncle Sam has, as you know, a big Navy and gives red-blooded young fellows like you an opportunity to step aboard and "shove off".

What will you get out of it? Just this:

A chance to rob 'em with foreign folks in strange parts of the world.

The chance for good honest work on shipboard—the kind of work that teaches you something real; the kind of work that puts

beef on your shoulders and hair on your chest.

You will get 30 extra-free vacation days a year, not counting shore leave in home or foreign ports.

You will have the kind of comradeship in travel that sailors know.

You will have regular pay, over and above your meals, lodging and your first uniform outfit—good stuff all of it.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

To any Father and Mother—

In the Navy your boy's food, health, work and play, and moral training are looked after by responsible experts.

Farms for Sale

WHO WANTS THIS?

Ten acres, half in alfalfa. Nice six-room bungalow, built-in kitchen with convenient cellar, screened-in porches, back and front; garage, woodshed, good barn, chicken house and park. Creek runs through the center of the place. Less than three miles from La Grande. The price is only \$3000. The initial payment required is \$1000. Adjoining land is worth \$200 per acre, and the buildings cannot be built today for \$2500. This sounds mighty nice, but the property will look better when you investigate.

An Improved 80-Acre Farm.

Here is a real home farm. Eighty acres of land with ample water, which is piped into a modern house, eight rooms with basement, bath and toilet, hot and cold water; water is piped into the barn, which is one of the finest in the county; also into the hog house and chicken yard. The house is plastered and wired. Nice lawn with hydrants fixed for irrigating. Near school, phone, R. F. D., on the established highway between La Grande and Elgin, eight miles from La Grande. The price is \$12,000; the terms are \$6000 cash, five on balance. Permit me to show you this property and what adjoining farms have sold for recently. This is not only a paying farm, but all the comforts of city and country combined. Just an ordinary 25-minute auto ride to La Grande.

Another Desirable Farm.

One hundred and sixty acres with a running creek. Splendid land, and well improved. A large, commodious house substantially built. Two large barns, blacksmith shop, machinery sheds, hog houses and chicken house and park. The price is \$20,000, and worth every dollar of it; \$7000 will handle this.

A Dairy Ranch.

Three hundred and twenty acres, 80 in cultivation; plenty of water and pasture and wood. Mountain ranch five miles from La Grande. Price \$3500. Small payment down will handle this; something like \$800 or \$1000.

If you want a farm on the Sandridge, see me. I have one of the best buys on the market, and the terms will suit anyone who is able to own a farm like this.
