Farms for Sale

WHO WANTS THIS?

Ten acres, half in alfalfa. Nice six-room bungalow, built-in kitchen with convenient cellar, screened-in porches, back and front; garage, woodshed, good barn, chicken house and park. Creek runs through the center of the place. Less than three miles from La Grande. The price is only \$3000. The initial payment required is \$1000. Adjoining land is worth \$200 per acre, and the buildings cannot be built today for \$2500. This sounds mighty nice, but the property will look better when you investigate.

An Improved 80-Acre Farm.

Here is a real home farm. Eighty acres of land with ample water, which is piped into a modern house, eight rooms with basement, bath and toilet, hot and cold water; water is piped into the barn, which is one of the finest in the county; also into the hog house and chicken yard. The house is plastered and wired. Nice lawn with hydrants fixed for irrigating. Near school, phone, R. F. D., on the established highway between La Grande and Elgin, eight miles from La Grande. The price is \$12,000; the terms are \$3000 cash, five on balance. Permit me to show you this property and what adjoining farms have sold for recently. This is not only a paying farm, but all the comforts of city and country combined. Just an ordinary 25-minute auto ride to La Grande.

Another Desirable Farm.

One hundred and sixty acres with a running creek. Splendid land, and well improved. A large, commodious house substantially built. Two large barns, blacksmith shop, machinery sheds, hog houses and chicken house and park. The price is \$20,000, and worth every dollar of it; \$7000 will handle this.

A Dairy Ranch.

Three hundred and twenty acres, 80 in cultivation; plenty of water and pasture and wood. Mountain ranch five miles from La Grande. Price \$3500; small payment down will handle this; something like \$800 or \$1000.

If you want a farm on the Sandridge, see me. I have one of the best buys on the market, and the terms will suit anyone who is able to own a farm like this.
