Constipation. The beginning of almost every serious disorder is constipation. If you want to enjoy good health keep your bowels regular. This is best accomplished by proper diet and exercise, but sometimes a medicine is needed and when that is the case you will find Chamberlain's Tablets are excellent. They are mild and gentle in their action, easy and pleasant to take. Give them a trial. They only cost a quarter.—Adv.

CHECK THAT COLD RIGHT AWAY Dr. King's New Discovery has relieved colds and coughs for fifty years

IT was an unusually high quality cold, cough, gripe and croup remedy when introduced half a century ago. Not once in all the years since then has the quality been allowed to deteriorate. Its effectiveness in combating colds and coughs has been proved thousands of times in thousands of families. Taken by grownups and given to the little ones for the safe, sure treatment of colds and gripe, coughs and croup, it leaves absolutely no disagreeable after-effects. Get a bottle at your druggist's today. 50c. and \$1.20.

Bowels Act Human—function gently but firmly without the violence of purgatives—when you treat them with Dr. King's New Life Pills. A smooth-acting laxative that gets right down to business and gratifies results. All druggists—25c. a bottle.

Millions In Oil

The investors are now buying acreage. The value of acreage depends on the distance from where oil wells are actually being drilled. Oil leases at Burk Burnett were worth, before the first well was drilled, nothing. During the time the first well was going down acreage sold rapidly at \$200 to \$300 per acre. After the well was completed, acreage sold from \$500 to \$10,000 per acre. When a person buys acreage there is no chance of losing it—it belongs to you, and no matter how valuable it becomes, you are the one who says when to sell. A local syndicate is now drilling for oil in Oklahoma, where over 50 per cent of the wells are money-makers, in a country where checks are actually written in millions. Do you want some acreage within one mile of where a well is actually being drilled? Do you understand the difference in owning acreage and oil stock? Thousands of men have got rich on acreage. No one can take it away from you. Within 60 days the story will be told, the well will be drilled, the chance of buying acreage will be past. Are you interested? If so, how much? Do you want ten acres, or would you rather pool with other friends and take a forty? Drop a letter in the postoffice today telling where you live, and if interested in making an investment, (one where chances to win are in buying the oil lease same as the big oil companies do.) An Agreeable Surprise. "About three years ago when I was suffering from a severe cold on my lungs and coughed most of the time night and day, I tried a bottle of Chamberlain's Cough Remedy and was surprised at the promptness with which it gave me relief," writes Mrs. James Brown, Clark Mills, N. Y.

HAVE COLOR IN CHEEKS Be Better Looking—Take Olive Tablets

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound acted with olive oil) act on the liver and bowels like colonics—yet have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of acres are sold annually. 10c and 25c.

That Air of Distinction

Nothing contributes more directly to this feeling than the wearing of the proper model in the proper kind of corset.

MODART CORSETS

Style is as essentially a part of MODART CORSETS as health and comfort. It has its foundation in the corset and there can be no stylish construction of the outer garments without the proper corset.

A MODART trial fitting is the most convincing argument of the value of a MODART Corset. Then the style lines are seen—then beauty of outline is noted—then comfort becomes apparent. Our experienced corsetiere is "at your service."
