But Tanlac Helped Him More Than Treatments Here, in Europe and in South America.

The following statement, which was made a few days ago by H. L. Finniger, watchmaker for the Nathan Dohrmann & Company, living at 30 Plato St., San Francisco, Cal., is both interesting and remarkable. Mr. Finniger said:

"I have been treated for indigestion in France, Italy and Switzerland and in North and South America, in fact all over the world, but Tanlac is the only thing I have ever found to do me much good. Always after eating I would have such awful rumbling pains in my stomach that I could hardly stand! I had fallen off in weight until I was scarcely more than a frame

of skin and bones, and my nerves were so irritated that the least little thing would irritate and upset me. I could not sleep to do any good and would get up mornings more tired than on going to bed. My strength and energy had about all left me and many a time I felt like I would be compelled to give up entirely.

"Besides taking everything in the way of treatments and medicines, I have tried all the different kinds of diet, also the rest cure, but never got more than a little passing relief. But the way a few bottles of Tanlac has brought me out is more than I can understand. At the time I began taking this medicine I only weighed ninety eight pounds, but I now balance the scales at one hundred and eighteen, making a gain of twenty pounds on five bottles of Tanlac. After finishing my first bottle and about half of the second I could see that I was getting better and from that time on my improvement was very fast. I can eat just anything now and never suffer a particle of distress afterwards. My nerves are in excellent condition so that I now get eight hours good sleep every night. I get up mornings now ready for a good breakfast and

a full days work. I usually put in an hour or two in the mornings working in my garden before going to the store which would have been impossible for me before taking Tanlac. My appetite is fine now, I relish everything I eat, and am enjoying better health than I have in years. Tanlac has certainly been a life-saver to me and it's a real pleasure for me to recommend it."

BOXING TOURNAMENTS ENTERTAIN A. E. F.

Attendance at Shows was 63,327; With 510 Men Participating in Bouts

COBLENZ, Germany, Oct. 21.—(By Mail).—During the month of September twenty-seven boxing tournaments for the entertainment of the American forces in Germany were held throughout the territory. The various tournaments were held in all the larger camps along the Rhine, the report showing that 540 men participated in the bouts and that the attendance at all shows for the month reached 63,327.

The boxing shows in Germany are now being conducted by C. Reis of the Y. M. C. A., who has the territory divided along the lines similar to those of a vaudeville circuit. All the matches are made at the Y Coblenz office in co-operation with the Army athletic office, and the soldier boxers travel from place to place on a schedule. The touring boxers meet the best men at the camps visited. Large stables of boxers are being kept in condition at all camps, and men are available at all times, at any weight, to go into the ring. Suitable cash prizes are given for the best performances.

Capt. Alexander P. Withers, athletic officer of the Army in Germany, is outlining preliminary plans for the boxing championship of the American forces. These matches will cover every camp and the winners of the camp titles will be brought together for the Army championships about February. There will be seven weight classes, ranging from the bantam weight title right up to the heavyweight class. The bouts in the final championship series will consist of ten two-minute rounds, in accord with the rules laid down by the A. E. F. athletic officer last season.

BY AN OREGON PIONEER

Just sixty-three years ago today, in a little town in Iowa, About three thousand miles away, There was born a boy who was named S. K.

In 1862, this boy and his folks, bid adieu

Forever, I guess, to the old state true

And started out for old Oregon blue.

After four month's travel thru' sage brush and sand,

We arrived at last in old La Grande

And concluded to stop and rest all hands.

The writer of this and one sister in La Grande still rest,

Some more are living but are scattered out West,

And some have gone on to the land of the Blest.

And now, my dear friends, just a few words more,

And I will bid you adieu for ever more,

In poetical work I am very sure.

Let me say, La Grande is good for me.

I know her clear from A to Z,

Cause I've been here quite a while, you see.

I expect to be here till the judgment more,

Or until Gabriel blows his trumpet horn;

And now, my friends, no more I'll say,

On this epistle, but bid you good day,

And sign my letter just plain S. K. (Author Unknown)

THEY GET ACTION AT ONCE

Foley Kidney Pills invigorates, strengthens and heal inactive, weak and diseased kidneys and bladder. Mrs. C. J. Ellis, 508 8th Ave., Sioux Falls, S. D., writes: "I suffered with kidney trouble (used to have severe pain across my back and felt miserable) and all tried out, but after taking Foley Kidney Pills I am well. I have not been bothered with kidney trouble since." They relieve headache, rheumatism, neuralgia, swollen or stiff joints, puffiness under the eyes, floating specks.

Sold everywhere.

EASIER NOW THAN LATER

It is easier to break up a cold or check a cough now than that it will be later. Persistent bronchitis coughs that "hang on" all winter pave the way for serious throat and lung troubles. L. W. Day, 65 Campbell Ave., E. Detroit, Mich., writes: "Foley's Kidney and Throat Pills have done for me what nothing else could. I hope never to get it again." This reliable family medicine for the relief of coughs, colds, croup, hoarseness, etc., contains no opiates. Children like it. Sold everywhere.
