MODART CORSETS
Front Laced
Style is an essentially a part of MODART CORSETS as health and comfort. It has its foundation in the corset and there can be no stylish construction of the outer garments without the proper corset.
A MODART trial fitting is the most convincing argument of the value of a MODART Corset. Then the style lines are seen—then beauty of outline is noted—then comfort becomes apparent. Our experienced corsetiere is "at your service."
