## Live-Stock Show Dairy Products Show Horse Show

STAGED AS ONE EXPOSITION in the new \$5300,000 Pavilion at North Portland, Oregon.

Week of November 17 to 22 Open All Day and Evenings

The Pacific International Livestock exposition was inaugurated and is supported by leading bankers, business men and breeders of the Pacific Coast—men of vision who see in the Pacific Coast the livestock center of the world. The staging of this exposition on so huge a scale is a long step toward the accomplishment of this aim and the benefits of its success will be widespread. Thousands of entries of purebred stock, many coming from the Middle Western States, necessitated additions to the immense \$300,000 Pavilion. Hundreds of educational exhibits claim your attention, including the large Western Dairy Products Show with 250 entries and daily lectures by Mr. O. E. Reed of Purdue University and Mr. M. Mortenson of the Iowa State College. Cups, Trophies and \$75,000 in premiums to be awarded. PLAN TO ATTEND THE ENTIRE WEEK.

## Almost From Grower To Customer

Mr. Farmer and Produce Raiser, LOOK US UP! We buy your stuff, or sell on commission. We are looking for eatables that will reach the homes of La Grande with as little expense as possible; and by getting producer, buyer and consumer together, it's going to be a big thing, properly worked. If you have SPUDS to sell, see us. We have been supplying many homes the past few weeks. We are running out a few hundred boxes of apples this week—ask those who purchased. If you eat onions, see us; don't let anything go to waste on the farm—bring it to us—we have the market, if the price is right. Eighty sacks of small spuds left, at \$1.75 per cwt. Bring your rig or auto when you come—saves the hauling. It's a big store room with nothing in it but eatables. For the right connection, PHONE BLACK 1081. Don't Buy or Sell until you see us. It's a new enterprise for La Grande.
