SHE EVEN OFTEN CRIED

Mrs. Seliger Only Weighed 98 Pounds—Gains Twenty-five Pounds Taking Tanlac.

"I have gained twenty-five pounds in weight since taking Tanlac, and I feel as fine as I ever did in my whole life," said Mrs. Edith Seliger, Route A, Box 386, Portland, Ore., recently.

"Something like two years ago my stomach began giving me trouble," she continued, "and from that time on my health gradually got worse in spite of all I could do. I had little or no appetite and what little I did manage to eat didn't agree with me but would ferment and cause gas to form and gave me such a heavy, uncomfortable feeling that I suffered no end of misery. I had pains in both sides and under the shoulder blades, and at times I was troubled with headaches and blinding dizzy spells. I was so nervous that even children playing around me would completely upset me, and at night I was too restless to ever get a good night's sleep. I tell of in weight from one hundred and twenty-five pounds down to ninety-eight, an actual loss of twenty-seven pounds, and I was in such a miserable, run-down condition that half the time I was too weak to move about, and sometimes I would actually break down and cry over my awful condition.

"It looked like I would never be able to find anything that would do me any good for I tried medicine after medicine, but got no relief. I was just about to give up all hope and resign myself to fate when my husband and I began to notice in the papers what Tanlac was doing for other people, and at his suggestion I started taking it. I didn't believe it was possible that any medicine could help anybody as much as Tanlac helped me, why, I am not bothered one bit with any of my old troubles now. My digestion is perfect and I can eat just anything without having a sign of indigestion or gas afterwards. I have almost forgotten about ever having pains in my sides and under my shoulder blades, and I am never troubled with headaches or dizzy spells. My nerves are in fine condition and children can play as much as they please around me without disturbing me in the least. I am sleeping as sound as a child every night, have gained back just about all my lost weight and am stronger than I have been in years. Tanlac was certainly a blessing to me, and I am so thankful for the way it has restored my health that I think I ought to tell everybody about it so they may benefit by my experience."

Tanlac is sold in La Grande by Silverthorn's family drug store; in Union, by L. A. Wright; in North Powder, by L. Russell; in Elgin by Scott & Harris; and in Telocast, by Telocast Grocery store.

How To Keep in Good Condition

Sound nerves, a clear head, good digestion, strength, endurance, and general health depend upon clean blood. If the kidneys and bladder do not properly perform their functions, the blood cannot be clean and pure, for these organs filter and cast out the waste matter, impurities and poisonous acids that cause nervousness, rheumatic pains, backache, languidness, sore muscles, swollen joints, stiffness, puffiness under the eyes and other weakening symptoms.

WAS RELIEVED AT ONCE
"I was afflicted with kidney and bladder trouble for nearly 6 years. Had one very bad spell about 5 years ago. Was confined to bed for 4 or 5 days, unable to turn without help. I commenced using Foley Kidney Pills and can truly say I was relieved at once. I take pleasure in recommending your kidney pills to all who have kidney trouble." John Heath, Michigan Bar, California.

FOLEY KIDNEY PILLS
soothe, strengthen, heal overworked, weak and diseased kidneys and bladder. When these organs are working properly, the blood is cleansed and purified, appetite returns, good digestion follows, refreshing sleep is possible, health and strength come again. They have brought relief to thousands of men and women who thought old age was coming on before it was due.

Only a Cold.

Are you ill? It is often answered, "Oh, it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off.—Adv.
